SUMMARY

This report recommends that City Council authorize the Chief Corporate Officer to amend the 2009 Head Lease Agreement between the City and the Head Lessee of Union Station (Osmington) and to enter into any necessary related agreements to fund, design and construct enhancements to Union Station that will make it a City-wide destination for dining, retail, events and culture.

This placeholder report is to advise that the Chief Corporate Officer will be providing the report to the January 4, 2016 meeting of the Government Management Committee. Additional time has been required to review the proposal and financials to ensure the agreement will have no impact on current or future City budgets.
