

Union

# Union

Where the city comes together—

# Union Revitalization

The dig down is one of North America's most complex feats of civil engineering—

# Union Our Role

Osmington has partnered with the City of Toronto to manage the Culinary, Cultural and Retail experience at Union Station—

# Union District

Union will continue to build on its iconic history at the centre of Toronto's developing cityscape—

Union will serve as  
the hub of an emerging  
downtown neighbourhood,  
a place to meet, shop,  
enjoy and explore—

# Union Our Vision

We see Union Station becoming one of the World's most engaging civic experiences —

# Union Our Mission

More than a transit hub, Union will become a unique destination—

# Union Culture

Union will host  
awe-inspiring cultural  
and community events—

# Union Summer

Sir John A Macdonald  
Plaza became Toronto's  
Living Room —

# Union Holiday Market

# Union Retail

Union will bring the best of Toronto shopping under one roof—

# Union Retail Designer - GH+A

Union

Making Union Station a destination—

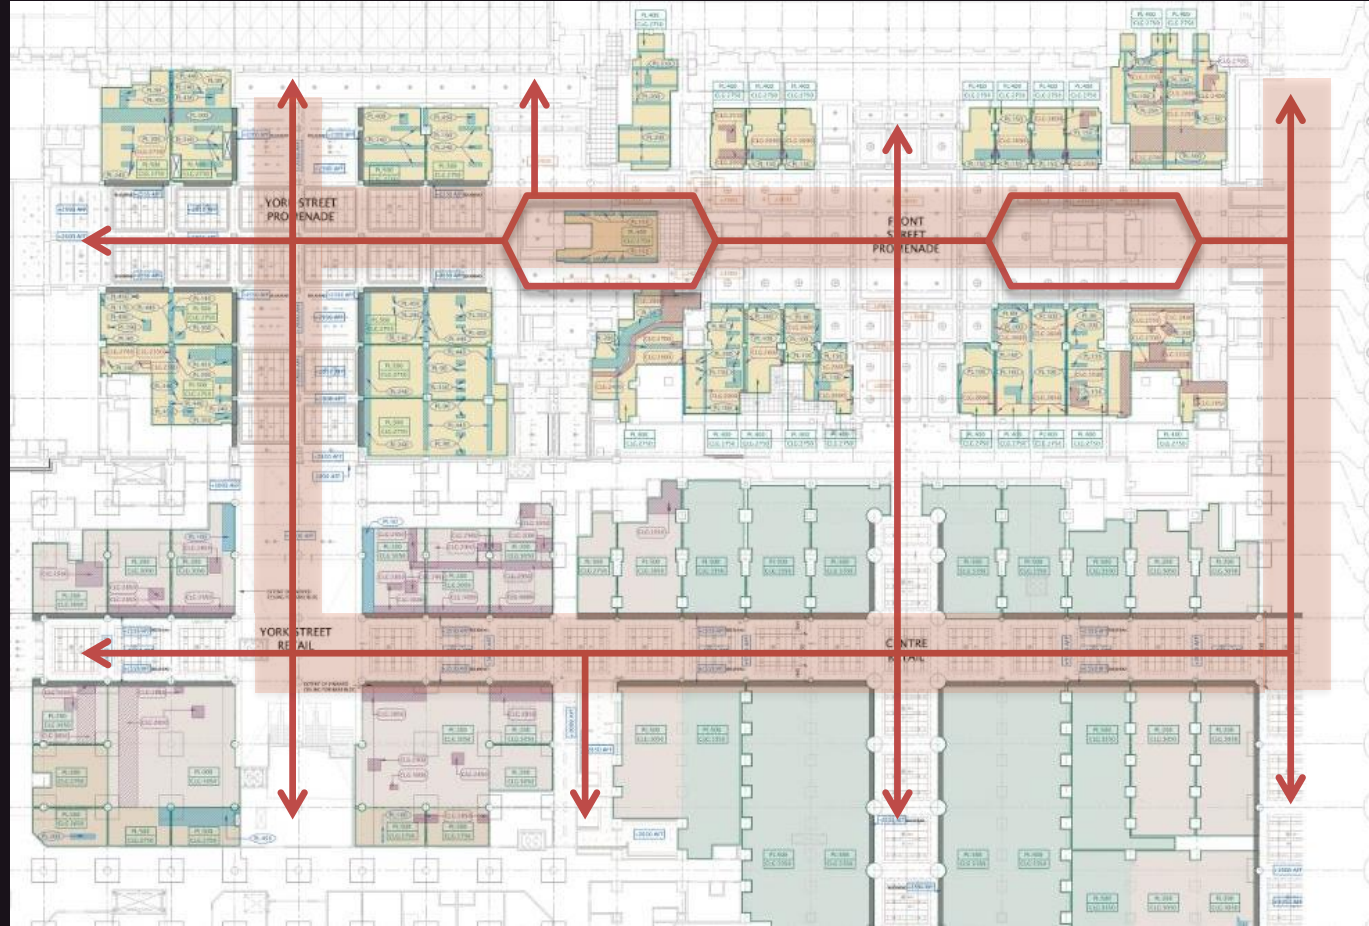

# Union Original Mall Layout (2008)

Linear traffic flows built upon best information available in 2008

Retail-centric with limited food offerings

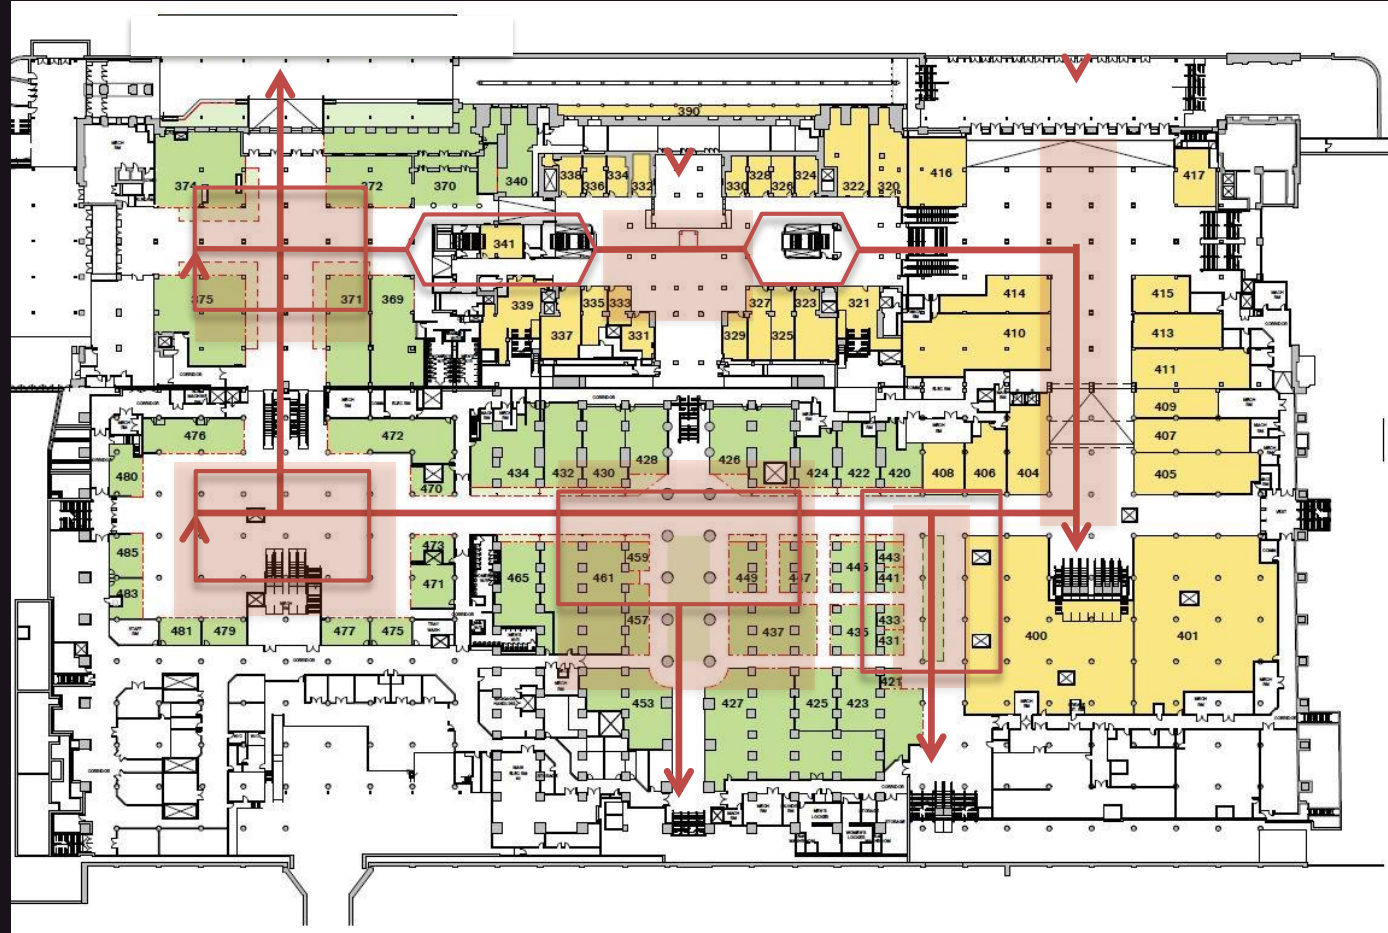

# Union New Precinct Concept (2016)

Food-centric offering

Best of Toronto culinary and retail

Areas for seating and cultural happenings

# Union Food Court

# Union Fresh Market
