Review of Proposed Noise By-law

Committee Decision

The Toronto Music Industry Advisory Council recommends that the Licensing and Standards Committee:

1. Request the General Manager, Municipal Licensing and Standards to work with the Toronto Music Industry Advisory Council and the General Manager, Economic Development and Culture to develop a communications strategy, on the new Noise By-law, when adopted, for music industry stakeholders that includes:
 - a. a summary of the new noise by-law;
 - b. information on how violations will be treated;
 - c. details on how enforcement will be carried out; and,
 - d. an explanation of the increased fines for violation of the by-law.

Decision Advice and Other Information

The Toronto Music Industry Advisory Council:

1. Requested its Chair, and Co-Chair, to review the proposed by-law upon its release, and submit further comments to the Licensing and Standards Committee, if necessary.

Summary

The Toronto Music Industry Advisory Council will discuss their input on the Noise By-law for submission to the Licensing and Standards Committee.
