Toronto and East York Community Council

TE17.90		Referred		Ward:20
---------	--	----------	--	---------

Traffic Control Signals - Dupont Street and Palmerston Avenue

City Council Decision

City Council on July 12, 13, 14 and 15, 2016, referred Item TE17.90 back to the Toronto and East York Community Council for further consideration at its October 13, 2016 meeting.

Community Council Recommendations

The Toronto and East York Community Council recommends that:

1. City Council approve the installation of traffic control signals at the intersection of Dupont Street and Palmerston Avenue with the following conditions:
 - a. Prohibit parking at all times on the east side of Palmerston Avenue, between Dupont Street and a point 15 metres north.
 - b. Prohibit parking at all times on the west side of Palmerston Avenue, between Dupont Street and a point 15 metres south.

Origin

(March 9, 2016) Report from the Director, Transportation Services, Toronto and East York District

Summary

As the Toronto Transit Commission (TTC) operates a transit service on Dupont Street, City Council approval of this report is required.

Transportation Services has undertaken an operational review and safety audit of the intersection of Dupont Street and Palmerston Avenue. The safety audit revealed that the intersection is generally operating safely and the justifications for the installation of traffic control signals are not satisfied at the intersection of Dupont Street and Palmerston Avenue.
