Dear Chair and Members,

RE: Speed Limit Reduction – Various Unclassified Streets in Ward 32

In 2015, Toronto and East York District directed that all roads within the district classified as local streets be reduced to a 30 km/h speed limit (Items TE8.1 and TE11.72). A number of residential streets located north of Gerrard Street East, between Main Street and Victoria Park Avenue, are open to vehicular traffic but have yet to be classified. Accordingly, they did not fall under those previous decisions and a statutory 50 km/h speed limit is currently in effect on these streets. Reducing the speed limit on these streets to 30 km/h will promote lower operating speeds for motorists and will be consistent with the adjacent streets in the surrounding neighbourhood.

RECOMMENDATION:

It is recommended that Toronto and East York Community Council:

1. Reduce the speed limit from 50 km/h to 30 km/h on Whistle Post Street, between Ted Reeve Drive and William Hancox Avenue.
2. Reduce the speed limit from 50 km/h to 30 km/h on Ted Reeve Drive, between Gerrard Street East and Whistle Post Street.
3. Reduce the speed limit from 50 km/h to 30 km/h on Flagman Street, between William Hancox Avenue and Brockville Street.
4. Reduce the speed limit from 50 km/h to 30 km/h on Brockville Street, between Flagman Street and Belleville Street.
5. Reduce the speed limit from 50 km/h to 30 km/h on Belleville Street, between Brockville Street and Dengage Road.
6. Reduce the speed limit from 50 km/h to 30 km/h on Carnahan Terrace, between Enroutes Street and Belleville Street.
7. Reduce the speed limit from 50 km/h to 30 km/h on Philpott Gardens, between Enroutes Street and Belleville Street.
