Dear Chair and Members,

RE: Parking Amendment – Sterling Road

SUMMARY:

Residents have contacted my office with concerns about access to boulevard parking located on east side of Sterling Road, south of Bloor Street West. A parking regulation sign located adjacent to the boulevard parking is interfering with access to/from the parking area. To improve access existing standing prohibition should be extended adjacent to the boulevard parking. The proposed recommendation will result in the loss of one parking space and it will not impact the flow of traffic on Sterling Road.

RECOMMENDATIONS:

1. That the Toronto and East York Community Council amend the existing standing prohibition in effect at all times, on east side of Sterling Road, between a point 27.8 metres south of Bloor Street West and a point 17.2 metres further south, to be in effect between a point 23 metres south of Bloor Street West and a point 22 metres further south.

Thank you for your consideration.
