Dear Chair and Members,

RE: Parking Amendments on Ward Street, between Wallace Avenue and Lappin Avenue

SUMMARY:

Residents have contacted my office to improve the on-street parking on Ward Street, between Wallace Avenue and Lappin Avenue. There are approximately 47 parking spaces on the east side and approximately 27 parking spaces on west side of the street. The residents' have expressed a desire to generally relocate parking from the west side to the east side of the street. Additionally, an accessible loading zone on west side is no longer being used. The proposed changes will provide about 20 additional parking spaces on Ward Street and will not unduly impact traffic operations on the road.

RECOMMENDATIONS:

1. That the Toronto and East York Community Council amend the existing parking prohibition in effect at all times, except each Thursday, from April 1 to November 30, inclusive, on the east side of Ward Street, between Wallace Avenue and Lappin Avenue, to be in effect each Thursday from April 1 to November 30, inclusive;
2. That the Toronto and East York Community Council amend the existing parking prohibition in effect each Thursday from April 1 to November 30, inclusive, on the west side of Ward Street, between Lappin Avenue and a point 15 metres north of Wallace Avenue, to be in effect at all times from December 1 of one year to March 31 of the next following year, inclusive and at all times except each Thursday from April 1 to November 30, inclusive;
3. That the Toronto and East York Community Council amend the existing no parking except by permit in effect from 12:01 a.m. to 7:00 a.m. except each Thursday from April 1 to November 30, inclusive, on the even side of Ward Street, between Wallace Avenue and Lappin Avenue, to be in effect each Thursday from April 1 to November 30, inclusive;

4. That the Toronto and East York Community Council amend the existing no parking except by permit in effect from 12:01 a.m. to 7:00 a.m. each Thursday from April 1 to November 30, inclusive, on the odd side of Ward Street, between Wallace Avenue and Lappin Avenue, to be in effect at all times except each Thursday from April 1 to November 30, inclusive; and
5. That the Toronto and East York Community Council rescind the existing accessible loading zone in effect from 8:00 a.m. to 5:00 p.m., Monday to Friday, on the west side of Ward Street, between a point 68.5 metres south of Lappin Avenue and a point 9 metres further south.

Thank you for your consideration.
