Dear Chair and Members,

Re: Accessible Loading Zone – Dan Leckie Way

Accessible vehicles are experiencing difficulties loading and unloading passengers on the west side of Dan Leckie Way, fronting 150 Dan Leckie Way, due to the presence of a planter box that interferes with the vehicles' wheelchair ramps. The proposed adjustment to the existing accessible loading zone location will improve the pick-up/drop-off activity by TTC Wheel-Trans and other accessible vehicles. This change will result in the loss of one pay-and-display parking space.

Recommendation

Toronto and East York Community Council:

1. Amend the existing standing prohibition in effect at all times on the west side of Dan Leckie Way, between a point 15 metres north of Fort York Boulevard and a point 11 metres further north, to operate between a point 23.5 metres north of Fort York Boulevard and a point 11 metres further north;
2. Amend the existing accessible loading zone in effect at all times on the west side of Dan Leckie Way, between a point 15 metres north of Fort York Boulevard and a point 11 metres further north, to operate between a point 23.5 metres north of Fort York Boulevard and a point 11 metres further north; and
3. Amend the existing pay-and-display parking in effect from 8:00 a.m. to 9:00 p.m. Monday to Saturday and from 1:00 p.m. to 9:00 p.m. Sunday, on the west side of Dan Leckie Way, between a point 26 metres north of Fort York Boulevard and Iceboat Terrace, to operate between a point 34.5 metres north of Fort York Boulevard and Iceboat Terrace.

Sincerely,

Joe Cressy
