Dear Chair and Members:

RE: 1192 Danforth Avenue - Request for Staff to Evaluate the Significance of the Property

As this historic property, 1192 Danforth Avenue, is located at the northeast corner of Greenwood and Danforth Avenues, I would like to be better informed with respect to the merit of the property's inclusion on the Heritage Register so that it may be considered in the planning of the neighbourhood.

RECOMMENDATIONS:

Toronto and East York Community Council request the Senior Manager of Heritage Preservation Services to research and evaluate the property at 1192 Danforth Avenue for potential inclusion on the City's Heritage Register and report to the Toronto Preservation Board and Toronto and East York Community Council in the second quarter of 2017.

Thank you for your consideration.

Sincerely,

Mary Fragedakis
City Councillor
Ward 29, Toronto-Danforth
