SUMMARY

An application was submitted to amend the Zoning By-law for the lands at 100 Broadway Avenue and 223 to 225 Redpath Avenue to permit the construction of a 34-storey (107 metre) apartment building. The proposed building would contain a total of 329 residential dwellings units including 52 rental replacement dwelling units, and 120 square metres of non-residential uses. An application was also submitted under Chapter 667 of the Municipal Code, pursuant to Section 111 of the City of Toronto Act, for the demolition of 52 residential rental units existing on site. The Zoning By-law amendment application was appealed to the Ontario Municipal Board (OMB) for Council's failure to make a decision on the application within the prescribed timelines in the *Planning Act*. A pre-hearing was held at the OMB on January 11, 2017 and a five-day hearing has been scheduled to commence on November 20, 2017. A second pre-hearing is scheduled for August 11, 2017.

For this reason, the City Solicitor requires direction on this matter at the City Council meeting commencing on July 4, 2017.
