The Toronto Professional Fire Fighters Association believes in and supports inclusive events. With the recent decision of the Pride parade organizers we as an association will not be organizing our involvement this year.

The Toronto Professional Firefighters Association is proud to have partnered with the Toronto Police Service LGBTQ-ISN , The Toronto Paramedic Association, and the Toronto Police Association to hold a historic first ever; "First Responders Pride Party."

It is difficult for us to participate in our uniform while our emergency counterparts are not allowed to participate in theirs.
