

Federal Public Transit Infrastructure Fund Phase 1 Update

Date: October 10, 2017
To: Executive Committee
From: City Manager
Wards: All

SUMMARY

This placeholder report is to advise that the City Manager and the Chief Financial Officer will be bringing forward a report to the October 24, 2017 Executive Committee meeting.

The purpose of the report is to provide a status update on the implementation of the Public Transit Infrastructure Fund (PTIF) Phase 1 and to seek authority from City Council to amend the City of Toronto's PTIF project list in order to ensure the City maximizes its full federal funding allocation.

Additional time has been required to complete this report to ensure proper consultation and collaboration across City Divisions and the Toronto Transit Commission (TTC).
