COMMENTS

Transportation Services investigated a request from Toronto Police, Parking Enforcement Unit, to review the existing signage on Junction Road. A map of the area is Attachment 1.

Junction Road is 9.6 metres wide road, classified as a "Collector" in the City's road Classification system. Junction Road operates two-way with a speed limit of 50 km/h.

As per the by-law, parking is prohibited at all times on the north side of Junction Road, between Old Weston Road and Cawthra Avenue, and on the south side of Junction Road, between Old Weston Road and Keele Street. Stopping is prohibited between the hours of 4:00 p.m. and 6:00 p.m., Monday to Friday, on the north and south sides of Junction Road, between Cawthra Avenue and Old Weston Road.

Observations conducted by Transportation Services staff indicate that the current bylaw does not reflect the existing signage in the field.

After consultation with Councillor Nunziata's office, Transportation Services recommend that the No Parking Anytime and No Stopping between the hours of 4:00 p.m. and 6:00 p.m., Monday to Friday regulations on the north and south sides of Junction Road, between Keele Street and Old Weston Road, be amended to reflect the existing signage in the field.
