Comments: **To All Members of the Etobicoke York Community Council**

I am writing on behalf of the Etobicoke Historical Society to express our support for the designation of the Blue Goose Tavern (originally the Windsor Hotel) under Part IV, section 29 of the Ontario Heritage Act.

Being already familiar with the history of this landmark, and after a further review of the Staff report on this property, we believe the Blue Goose Tavern meets several of the possible criteria for designation laid out by the province, including that it yields information that contributes to an understanding of the community; is physically and historically linked to its surroundings; and is a landmark in the community.

The development proposal is already based on keeping the Blue Goose Tavern and designation will serve to ensure an appropriate restoration of the building and the retention of the all defined heritage attributes.

Please support the staff recommendation and vote for designation of The Blue Goose.
