To the members of Etobicoke-York Community Council:

**Re: Item EY22.5, Inclusion in City of Toronto Heritage Register: 1 Blue Goose Street**

We are writing on behalf of the Mimico Lakeshore Community Network, an umbrella group that brings together seven community organizations that are concerned with planning issues in the Mimico-Lakeshore area.

MLCN wishes to lend its support to the proposal now coming before Etobicoke-York Community Council, to include the Blue Goose Tavern building at 1 Blue Goose Street in the City of Toronto Heritage Register.

The Blue Goose is a fondly regarded local landmark which should definitely continue to be part of the Mimico scene. The owner's proposal for the property, which will retain the Blue Goose as a functioning part of the development, is an example of good neighbourhood planning. It deserves to be properly implemented.
