Dear Ms. Watkiss,

Re: Administrative Inquiry into the cost
of preventing information being released at Toronto Hydro

I wish to file an administrative inquiry into the cost of preventing information being released at Toronto Hydro

The Toronto Star has reported that it has filed freedom of information inquiries related to privatization consultants and to the hiring of two former members of Mayor Tory's campaign staff. I wish to know how much money has been spent on legal fees to prevent the information from being released.

I look forward to your timely response at the next meeting of City Council.

Respectfully submitted,

Councillor Gord Perks
