NYCC November 14, 2017

New Business Item:

TO REDUCE THE SPEED LIMIT ON ALL LOCAL STREETS IN WARD 15 TO A CONSISTENT 40KM/H.

It is recommended that:

1. North York Community Council reduce the speed limit from 50 km/h to 40 km/h on all local roads within the boundaries of Ward 15, excluding those roads that bound other wards or Community Council areas.
2. North York Community Council authorize the appropriate City staff to take the necessary action to implement the foregoing reduction in the speed limit, including the introduction of the necessary Bills to the North York Community Council.
3. Transportation to report back by April 2018 with staff recommendations as to whether to lower the speed limit to 40 km on any or all of the Collector and minor Arterial roads within Ward 15.

Summary

Ward 15 residents call in increasing numbers about their growing concerns over motorists driving above the local speed limit causing concern for pedestrian safety, particularly children and seniors. The implementation of the 40 km/h speed limit on all local roads within Ward 15 will address residents' safety concerns.

Transportation Services recommends the approval of a 40 km/h speed limit as indicated in a policy adopted by the Works Committee report in 2002.
