

CONDOLENCE MOTION

Moved by: Councillor James Pasternak

Seconded by: Councillor Paula Fletcher

The Mayor and Members of Toronto City Council are deeply saddened by the passing of Stuart Bryan on April 27, 2017 at the age of thirty.

Stuart started with Toronto Fire Services on February 13, 2012 graduating with his class 8 weeks later. He was stationed at Hall 145 in North York and assigned to the HazMat apparatus.

Stuart lived his life doing what he loved. He was a dedicated body builder and fitness enthusiast who was at home in front of the barbecue. He was well respected at the Service with his colleagues having nothing but good things to say about him.

He will missed dearly by his mother Heather, father Alan (Denise) and brother Andrew.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincerest sympathies to Stuart Bryan's family.
