## COMMENTS

---

Parks, Forestry and Recreation ("PFR") has been working with the Toronto District School Board (the "TDSB") to negotiate the Exclusive/Shared Use Agreement (the "Agreement") to harmonize the relationship between PFR and the TDSB for school

locations outlined in Appendix A. The City currently delivers programming through a combination of exclusive and shared space in 27 schools across the City. The exclusive space at the subject locations is utilized for community recreation offices, storage and programming space. The shared space is utilized primarily for programming. The proposed Agreement aims to ensure continued and reliable access to space in TDSB schools for community programs.
