Re: EX30.33 Cost of Preventing Information Being Released at Toronto Hydro

Dear Ms. Carbone,

Thank you for meeting with me on May 28, 2018 to discuss this request from city council regarding EX30.33 - Cost of Preventing Information Being Released at Toronto Hydro.

The Toronto Hydro Board of Directors considers all requests from council to be of the utmost importance, but we are unable to provide the requested information at this time. Toronto Hydro continues to participate in two active appeals before the Information and Privacy Commissioner (IPC) in respect of this matter and two more that are currently under investigation.

At this time, we cannot confirm the timing of the IPC ruling. However, following completion of the process, we will respond to council's request with any information we can provide in accordance with the legal ruling and respecting the Shareholder Agreement.

Sincerely,
