RE: Agenda Item EX 35.2 Community Council Boundaries and Implementation of Ward Boundary By-laws including Naming of Wards (All Wards)
And specifically one portion thereof, namely,
Division of the City of Toronto into Community Councils

To: Mayor Tory and all Councillors for the City of Toronto

The Bay Cloverhill Community Association (BCCA) concurs completely with the Bloor Street East Neighbourhood Association (BENA) request that City Council Consider and adopt the amendment to the Executive Committee's recommendation for division of City Council into Community Councils.

The BCCA believes that it is most important for the best functioning of the Community Councils that City Council adopt the Staff Recommendation and direct the City Manager to conduct additional Community Consultation and interviews with the incoming Councillors and report back to the Executive Committee in Quarter 2 of 2020.

Further, we agree with the reasons given by BENA for this request.

We express our thanks to City Council for consideration of the Residents' Associations request for this amendment.

Respectfully,

Marilyn Tait-McClellan
BCCA President

CC: Mayor John Tory, City of Toronto
to all City Councillors by attachment to the information packages for Agenda Item EX.35.2 for distribution to all City Councillors
