City Council on December 5, 6, 7 and 8, 2017, referred Administrative Inquiry IA35.1 from Councillor Gord Perks, Ward 14, Parkdale-High Park regarding the cost of preventing information being released at Toronto Hydro and Answer IA35.1a from the City Manager to the Executive Committee for consideration.

**Summary**

---

Councillor Gord Perks submitted the following Administrative Inquiry:

"I wish to file an administrative inquiry into the cost of preventing information being released at Toronto Hydro.

The Toronto Star has reported that it has filed freedom of information inquiries related to privatization consultants and to the hiring of two former members of Mayor Tory's campaign staff. I wish to know how much money has been spent on legal fees to prevent the information from being released.

I look forward to your timely response at the next meeting of City Council."
