Re: EX35.2 Community Council Options

Dear Mayor Tory and members of the Executive Committee

The Deer Park Residents Group represents residents in the Yonge St. Clair area of the City. Our members live in single family houses as well as in condos and apartments.

We support option C, the only option that provides for a midtown Community Council. We believe such a Community Council would best serve our community.

We share common interests with other residents associations in the midtown area. We are long time members of the Federation of North Toronto Residents Association participating in their discussions of common issues and interests. The Option C area covers much of FoNTRA's membership base.

President,  
Deer Park Residents Group
