Re: Request for temporary liquor licence extension for an extended patio at the Churrasqueira Martin's Grill House restaurant, 605 Rogers Rd- by Councillor Frank Di Giorgio

Recommendation:

1. City Council advise the Alcohol and Gaming Commission of Ontario that it has no objection, for liquor licensing purposes, to the following request noting that the applicant is required to comply with other applicable by-laws and to obtain the necessary permits for any patio areas extending into the City's right-of-way\private property:

a. A temporary liquor licence extension for an extended patio at the Churrasqueira Martin's Grill House restaurant, 605 Rogers Rd, on June 14- July 15, 2018, from 8:00 a.m. to 8:00 p.m.

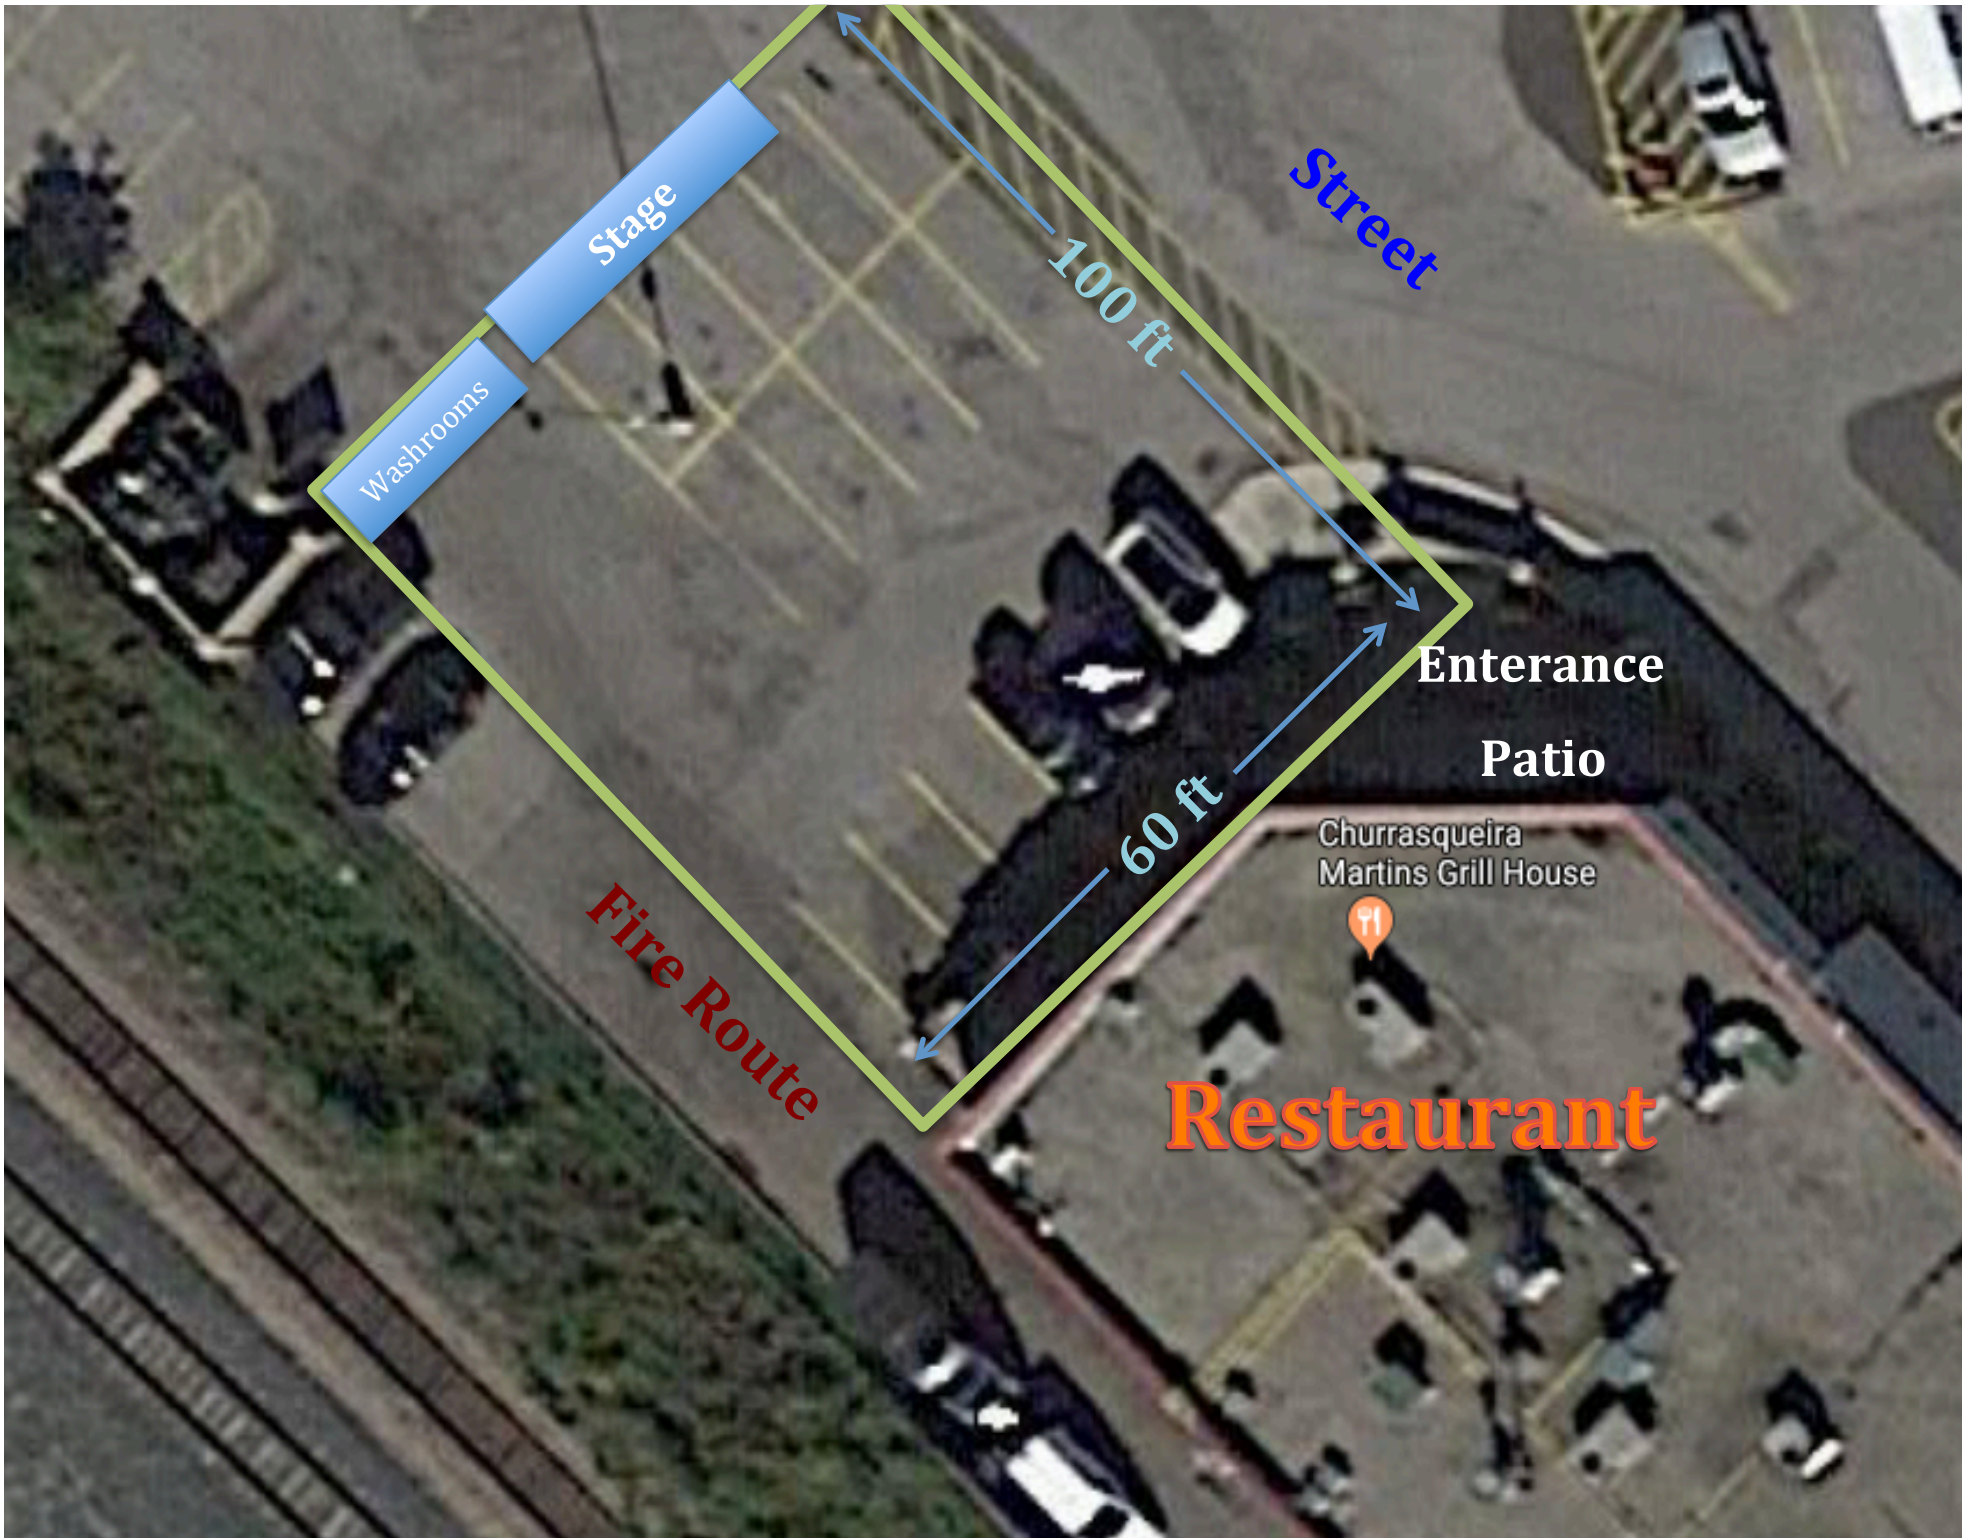

Summary:

Churrasqueira Martin's Grill House restaurant is a vibrant commercial hub located in a strip plaza on Rogers Rd. that has become the economic engine of the local neighbourhood. This community is fortunate to have attracted businesses that serve the diverse needs of the area, including restaurants, salons, boutiques, cafes, and medical offices. As you know, restaurants and eating establishments play a vital role in Toronto's success and contribute tremendously to the vitality and socio-economic sustainability of our City. The business operator of Churrasqueira Martin's Grill House restaurant, is proposing to extend the patio onto the commercial parking spots from June 15th to July 15th from 8:00am-8:00pm for the 2018 FIFA World Cup.
