Subject: Parking Amendments – St. Dennis Drive

Summary:

Currently, under Toronto Municipal Code Chapter 950, there is a winter maintenance parking prohibition in effect from 2:00 a.m. to 6:00 a.m., December 1 to March 31, on roadways in the former City of North York. This is an unsigned parking regulation.

I am requesting to exempt St. Dennis Drive, from Don Mills Road to Linkwood Lane, from this parking prohibition to make it consistent with the former City of Toronto and Borough of East York. The statutory three-hour parking limit will still be in effect.

In consulting with Transportation Services, Traffic Operations have suggested that a parking prohibition at all times between Linkwood Lane and Wynford Drive is more appropriate due to the characteristics of the roadway in this section. This parking amendment will allow for proper snow maintenance.

Recommendation:

1. City Council rescind the parking prohibition in effect from 2:00 a.m. to 6:00 a.m. from December 1 to March 31 on St. Dennis Drive, between Don Mills Road and Wynford Drive.
2. City Council prohibit parking at all times on both sides of St. Dennis Drive, between Linkwood Lane and Wynford Drive.

Thank you for your consideration of this matter.

Sincerely,

Jon Burnside
