Re: Item 28.1 – Second Suites

We have just become aware of this report to provide for an Official Plan amendment to permit second suites throughout the city.

<http://app.toronto.ca/tmmis/viewAgendaItemHistory.do?item=2018.PG28.1>

We have also been advised that another report on the same topic has been slated for the TEYCC mtg on May 2nd.

We also note that the current discussion on laneway suites limits its implementation to the TEYCC district.

It is important to address this matter in a comprehensive manner.

Therefore, we propose that this report be deferred to a meeting after consideration of the report being prepared for the May 2nd meeting of the TEYCC.

Sincerely,

Dr. R. J. Daley
President, Grange Community Association
