SUBJECT

This is to advise that the report Curbside Management Strategy - Parking Amendments – Non-Delegated Locations will be on the agenda of the Toronto and East York Community Council meeting on January 16th, 2017.

In November, City Council endorsed the Curbside Management Strategy. The purpose of this report is to provide the necessary parking by-law amendments required to support the quick wins of the Strategy, including the installation of stands for taxicabs at hydrants, the designation of delivery vehicle parking zones, and the designation of motorcycle parking zones.

Transportation Services is still in the process of finalizing the by-law amendments to be proposed by this report.
