## Re. LETTER OF SUPPORT FOR THE OPEN DOOR AFFORDABLE HOUSING PROGRAM

Dear Mayor Tory and Members of Council,

On behalf of the entire TAS team, 3803 DSW Urban Properties Inc. and our project, 3775-4005 Dundas St. West, I would like to express our support and gratitude for the Open Door Affordable Housing Program.

Our company believes that it is possible to design beautiful, sustainable and universally accessible spaces for people of all ages & stages to live or work, rent or own. Guided by our 4-Pillars of Sustainability (economic, social, environmental & cultural), we are working towards a more inclusive approach to housing.

We are honoured to be a part of this program. The Open Door program will enable us to offer 63 well-designed, affordable housing rental units to the Dundas St. West community. It will also realize our commitment to ensuring our buildings reflect the diversity and vibrancy of each neighbourhood.

We applaud the City's continued commitment to prioritizing policy and financial support for affordable housing.

Sincerely,

Mazyar Mortazavi  
President & CEO, TAS
