**Communications similar to the following text:**

"Dear City Council,

I am writing to ask you to stand firm against Doug Ford's Bill 5 and to stand up for our city. At City Council this week, please vote to direct the City Solicitor to continue the City of Toronto's legal challenge to Bill 5 and appeal the case to the Supreme Court.

And please give the City Solicitor the tools needed to truly stand up for the city in court, including the ability to obtain outside counsel, such as counsel with expertise in constitutional litigation, should the solicitor require it.

As Court of Appeal Justice MacPherson said, Doug Ford's Bill 5 "left a trail of devastation of basic democratic principles in its wake". We must continue to stand up for our city so we can secure our Charter rights, local representation, and our local elections going forward.

Sincerely,

-----

A copy of this message has been sent to my local City Councillor and Mayor John Tory.

To the City Clerk: Please add my comments to CC10.3. I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees."
