Dear Mayor Tory, Councillor Bailão, Chair of the Planning and Housing Committee, and Council colleagues:

Re: Agenda Item PH11.5 HousingTO 2020-2030 Action Plan

Options for Homes is the largest non-profit producer of affordable ownership housing in Canada. Options has provided affordable home ownership to over 3,000 households in 13 completed developments, including communities in The Distillery and The Junction.

We are writing to congratulate City Council on HousingTO2020-2030 Action Plan and indicate our support for the Plan. We believe that affordable ownership housing is an important part of the housing continuum in the City of Toronto.

Options for Homes will continue to work in the affordable ownership space. We are committed to partnering with the City of Toronto to continue to innovate our approaches to creating affordability. We look forward to exceeded the annual target of 400 units/year set out in the 2020-2030 Plan.

Sincerely,
