

REPORT FOR ACTION

Status Update - Toronto-Ontario Transit Responsibilities Realignment Review

Date: May 23, 2019

To: Executive Committee

From: Deputy City Manager, Infrastructure and Development Services and City Solicitor

Wards: All

SUMMARY

This placeholder report is to advise that the Deputy City Manager, Infrastructure and Development Services will be bringing forward a report to the June 6, 2019 Executive Committee meeting.

This report responds to City Council's request for the City Manager to provide regular updates on the status of engagement with the Province regarding the realignment of transit responsibilities under the Terms of Reference and assessing the impacts of the proposed Bill 107 - "Getting Ontario Moving Act".
