

**Rexdale – Casino Woodbine Community Benefits Agreement
Community Steering Committee**

Terms of Reference

A. Purpose

1. Community benefits agreements (CBAs) are a mechanism to leverage social and economic outcomes for local communities and equity-seeking groups impacted by large development projects. The Woodbine CBA is a legally binding agreement between One Toronto Gaming and the City of Toronto. The CBA fulfills City Council conditions that were required to expand gaming at Woodbine Racetrack.¹ The term of the CBA will cover the time that One Toronto Gaming operates gaming at Woodbine (approximately 20 years).
2. The mandate of the Community Steering Committee (hereafter the "CSC") is to monitor and support the successful implementation of the Woodbine CBA over the long term, including:
 - Receive and review quarterly reports from the Employment & Labour Market Advisory (ELMA) Working Group on targets set by the CBA;
 - Receive and review reports from the Casino Woodbine Responsible Gambling Oversight Committee on activities and metrics set by the CBA;
 - Receive and review quarterly reports from One Toronto Gaming on supply chain diversity and local procurement activities and metrics as set by the CBA (semi-annually commencing in 2021);
 - Receive and review reports from One Toronto Gaming on community access to space activities and metrics set by the CBA (commencing within 1 year of the entertainment venue opening, quarterly in the first 2 years, semi-annually thereafter);
 - Receive feedback and community concerns related to the implementation of the CBA; and
 - Inform City staff reports to City Council.

¹ For more information about City Council conditions for expanded gaming at Woodbine Racetrack, please see April 2018 Staff Report

Ontario Lottery and Gaming Corporation will act as a liaison between the Casino Woodbine Responsible Gambling Oversight Committee and the Community Steering Committee. WEG must abide by a number of planning conditions that codify the requirement for a CBA to be in good standing into the City's planning documents and prior to the introduction of the Zoning Bills for enactment. Therefore, it is important for WEG to keep apprised of Community Steering Committee matters.
