

Request to establish a Community Police Office at 200 Poplar Road

Date: November 27, 2019

To: Executive Committee

From: City Council

Wards: Ward: 24

CITY COUNCIL DECISION

City Council on November 26 and 27, 2019, referred Motion MM12.4 to the Executive Committee.

RECOMMENDATIONS

Councillor Paul Ainslie, seconded by Councillor Shelley Carroll, recommends that:

1. City Council request the Toronto Police Services Board, as part of the newly announced neighbourhood officers' program, to establish a Community Police Office at 200 Poplar Road, in the Community of Scarborough-Guildwood.

SUMMARY

The purpose of this Motion is to request City of Toronto Council's support in requesting the Toronto Police Services Board, through the newly announced neighbourhood officers' program, to establish a Community Police Office in Scarborough-Guildwood at 200 Poplar Road, the former site of Sir Robert Borden Collegiate Institute, as this new neighbourhood officers' program has been created to better serve and enhance community policing.

Establishing a Police Office at 200 Poplar Road located on a residential street would serve the Scarborough-Guildwood Community well.

Given that the City of Toronto is finalizing the purchase of the former school located at this site, it is an opportunity to enhance the police work in the community.
