EX8.7.6

EX8.7 – Multiple Communications from 1,331 individuals, with the subject line: "I support the Gender Equity Strategy and Office (EX8.7)"

(Current to 2:40 pm on Wednesday, September 18, 2019.)

Communications similar to the following text:

"Dear Executive Committee.

I am writing to share my support for the creation of a Gender Equity Strategy and Office for Toronto. Diverse women, girls, trans and non-binary people make up more than half of Toronto's population, but continue to face systemic disparities in our city - lower wages, and higher rates of violence and poverty.

By supporting the creation of a Gender Equity Strategy Office we have the opportunity to reduce inequality in our city. Vienna, New York, Los Angeles, Boston, Vancouver, and Ottawa have all implemented similar policies. Toronto should do the same. I will be proud of your support for this item.

Sincerel	у,
----------	----

A copy of this message has been sent to my local City Councillor, Mayor John Tory, and the Executive Committee.

To the City Clerk: Please add my comments to the agenda for item EX8.7. I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees."
