Mayor Tory and Members of Council,

I am writing today in support of Councillor Fletcher's motion to grandparent the family of legacy events.

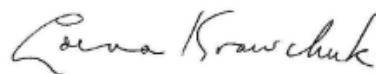

The Agnes Macphail Award has been awarded annually since 1994 to an East York resident who has contributed to the community through volunteer work in the areas of women's rights, fairness to seniors, criminal justice system, international peace, and access to adequate housing, health care and education. Our committee has also organized the Agnes Macphail Speaking Contest for the past 21 years.

Prior to amalgamation, our committee was supported by the former Borough of East York in the administration of the Agnes Macphail Award and planning of the Agnes Macphail Award ceremony. Since amalgamation, our committee has taken responsibility for additional aspects of the planning and organizational work and we continue to work with the local councillor's office to organize a successful event each year.

Our committee works hard to maintain local traditions and celebrate East York residents and local leaders and this would not be possible without the support of the City of Toronto. I sincerely support Councillor Fletcher's motion and urge you to recognize the important work that local volunteer-led organizations like ours do across the City of Toronto by supporting this motion as well.

As always, we appreciate your support of this special East York award.

Sincerely,

Lorna Krawchuk
