**MEMO**

**Date:** August 28th, 2019

**To:** Members of the North York Community Council

**Subject:** 23 Kodiak Crescent – Parking Prohibitions Request

**SUMMARY:**

The Provincially Significant Employment Zone 9, Keele – Dufferin, is home to some of the largest employers in Ward 6 and the City of Toronto. A multitude of business operate every day from the area, including the PUR Company Inc. a renown Canadian company specialized in the production of chewing gum, confectionery, employing hundreds of employees.

PUR's head office located at 23 Kodiak Crescent, has recently experienced problematic parking behaviour in front and around their property. The lack of proper signage and regulations have allowed drivers to park in front of the adjacent bus stop and fire hydrant, regularly blocking access into and out of the adjacent driveways.

It is because of the aforementioned reasons that a change on parking regulations in front of 23 Kodiak Crescent has been evaluated and requested by Transportation Staff.

**RECOMMENDATION:**

North York Community Council request:

1. Toronto City Council prohibit parking at all times on the south and east sides of Kodiak Crescent, from a point 225 metres east and north of Sheppard Avenue West (south intersection) to a point 39 metres further north.

Sincerely,

A handwritten signature in blue ink, appearing to read "James Pasternak", written in a cursive style.

James Pasternak,  
Councillor, Ward 6
