Date: July 2, 2019 10:49:40 AM

To the City Clerk:

Please add my comments to the agenda for the July 3, 2019 Planning and Housing Committee meeting on item 2019.PH7.3, Appeals of City-wide Zoning By-law 569-2013 - Request for Direction

On behalf of the Ossington Community Association, I write to strongly object to the contents of this item being confidential, as subject to 'solicitor-client privilege'. It is obviously crucial that the contents of such attachments be publicly accessible, so that members of the public can appropriately assess the proposals and weigh in accordingly.

The City Solicitor is supposed to be acting in the public interest. Instead, their deliberations and negotiations are hidden behind a veil of secrecy.

We request that the item be deferred until such time as members of the public have a chance to actually see, assess, and weigh in on the contents of the item.

Sincerely,
Jessica Wilson
