

## CONDOLENCE MOTION

**Moved by: Councillor Michael Thompson**

**Seconded by: Councillor Jennifer McKelvie**

The Mayor and Members of Toronto City Council are saddened to learn of the sudden passing of Paul Aquilina, on June 3, 2019 at the age of 56.

Paul was the son of immigrants from Malta and England who came to Canada in 1953. Paul was raised near Victoria Park Avenue and Van Horne Avenue along with two older brothers. Schooled in electronics at Seneca College, Paul worked in the pioneering days of modern computers as a technician for Wang Computers, moving on to Underwriters Laboratories of Canada in Scarborough where he worked for over 25 years as a Fire and Security Inspector.

Paul moved to the Maryvale community in 1985, married and raised his two children; a son who is currently studying at the University of Toronto and a daughter who graduated from the University of Toronto and is currently working and living in London, England.

Paul was a generous neighbour, passionate about his unique, tight-knit community and committed to making his neighbourhood a special place to raise healthy, happy families. He will be greatly missed by his family, friends, co-workers and neighbours.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Paul's wife, June and his two children.
