ST1.1- Council Member Appointments to Committees, Boards and External Bodies

Date: December 11, 2018
To: Chair, Mayor John Tory and Striking Committee Members
Re: General Government and Licensing Committee

Dear Striking Committee,

I am very pleased to put my name forward for the appointment to serve on the General Government and Licensing Committee for the new term of Council.

As Chair of the Government Management Committee for 7 years I have moved the City forward in a number of important initiatives with enhancement to municipal governance, contribution in municipal election reform as well as the strides in accelerating Open Data in the City of Toronto across all divisions. My contributions I feel have advanced the City of Toronto's standings as a leader ensuring the city is transparent, efficient and a great resource to all. Our open government policies have provided residents with the tools needed to participate and interact with the city. I have been proud to serve as Chair and look forward to continuing to contribute to the newly named General Government and Licensing Committee.

I look forward to continuing to make significant contributions to the General Government and Licensing Committee. I will fulfill the work of the committee with great purpose and will hold my responsibility in attending and participating in meetings.

I look forward to your support.

Sincerely,
