Re: FCM Non-Board Member Appointments

Dear Striking Committee members,

As we consider appointments for the City's committees, agencies, boards, and corporations I would like to take this opportunity to present my intention to appoint vacant Non-Board member appointments to FCM.

As you know, the City currently has two seats on the FCM Board of Directors which goes through the Striking Committee and four non-Board seats on Standing Committees as approved on an annual basis by the FCM President on the recommendation of the Mayor. Currently, two non-Board seats are vacant.

Previously, we have considered only the Board member positions for FCM through Striking Committee, however, I would like to take this opportunity to announce the Council members whom I will recommend for FCM non-Board appointments. The two non-Board appointments are recommended for the remainder of the 2018-2019 term as well as the 2019-2020 term.

It is my intention that Councillors Anthony Perruzza and Cynthia Lai be nominated as non-Board members to FCM for the remainder of the 2018-2019 as well as the 2019-2020 term.

The City benefits from the strong advocacy that FCM provides, and I believe that the Councillors appointed to both Board and non-Board positions will represent Toronto's interest with strength and integrity.

Sincerely,

John Tory  
Mayor of Toronto
