

HL17.3 Appendix 3

Appendix 3: Project Summaries and Recommended Activities for Each Project Recommended for Funding

RECOMMENDED ACTIVITIES FOR 2020 ONE-YEAR PROJECTS

That funding in the amount of **\$78,965** be provided to **Access Alliance Multicultural Health and Community Services** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-1-HIV-01

Project Name: Reach Through the Cracks

Through this project, Access Alliance Multicultural Health and Community Services will:

1. Employ a Health Promotion Specialist for 1,029 hours;
 2. Train and employ 4 Peer Outreach Workers for 252 hours each;
 3. Provide orientation and training to project team members on co-design process and community engagement;
 4. Facilitate 12 co-design meetings to develop a co-design framework, design and implement 2-3 tools and administer 50 surveys;
 5. Produce a needs assessment report outlining a model of service that supports the sexual health of LGBTQ+ newcomer clients; and
 6. Engage 5 peers and the team to co-create 2-4 knowledge mobilization products and prototype products within the organization.
-

That funding in the amount of **\$50,402** be provided to **Black Coalition For AIDS Prevention Of Metropolitan Toronto** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-1-HIV-02

Project Name: ACB Community Need Assessment Project

Through this project, Black Coalition For AIDS Prevention Of Metropolitan Toronto will:

1. Employ a Community Outreach Coordinator for 1,125 hours;
2. Train and support 6 African, Caribbean and Black (ACB) Youth Community Engagement Facilitators (CEF's) for 5 hours;
3. Coordinate and develop ACB Youth Community Needs Assessment recruitment and outreach plan and project materials including digital survey, interview guide and focus group guide;
4. Hold 5 two-hour team meetings with the 6 Community Engagement Facilitators to plan participant recruitment and data collection;

5. Conduct 30 outreach sessions at 3 community sites, and 120 hours of outreach through social media, to promote the needs assessment and participant recruitment, and to enhance the CEF's skills in recruitment and outreach;
 6. Conduct 12 individual one-hour interviews with ACB youth and administer digital surveys reaching 300 ACB youth to increase the CEF's skills in data collection and to provide data for analysis;
 7. Conduct 3 one-hour focus groups, one in each target neighbourhood, with 8-12 youth/group to increase Community Engagement Facilitators skills in data collection and to provide data for analysis;
 8. Hold 4 two-hour team work sessions at each of the 3 sites to analyze findings and data, to increase skills and experience for the CEFs; and
 9. Develop report and disseminate findings to at least 150 individuals at 3 community launches to create greater community awareness and understandings of the sexual health information interests and needs of ACB youth in the target neighbourhoods.
-

That funding in the amount of **\$47,911** be provided to **Christie Ossington Neighbourhood Centre** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-1-RES-01

Project Name: Supporting Resilient Girls, Supporting Informed Parenting: Putting Our Resilience & Information Together

Through this project, Christie Ossington Neighbourhood Centre will:

1. Employ a Project Coordinator for 800 hours;
 2. Employ a Project Manager for 200 hours;
 3. Employ the Director of Operations for 50 hours;
 4. Employ a Girls Group Peer Worker for 300 hours;
 5. Convene a Tween/Teen Advisory Committee, meeting bi-monthly to build leadership capacity and provide input into the project direction;
 6. Hold 96 Supporting Resilient Girls groups reaching 60 tweens and teenagers to increase knowledge of the risks associated with sexual activity and substance use, increased confidence, self-esteem, and open communication with trusted adults;
 7. Hold 6 Supporting Informed Parenting groups reaching 30 parents to increase knowledge of risks associated with sexual activity and substance use and successfully engage their tween/teenager in open conversations and problem solving around these issues;
 8. Provide 45 one-on-one informal support sessions for 20 tweens and teenagers to reinforce the knowledge shared in groups, and respond to individual emerging concerns; and
 9. Provide 36 one-on-one support sessions for 25 parents to reinforce the knowledge shared in groups and respond to individual emerging concerns.
-

That funding in the amount of **\$51,277** be provided to **Covenant House Toronto** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-1-HR-01

Project Name: Peer Research Needs Assessment of Harm Reduction Supports

Through this project, Covenant House Toronto will:

1. Employ a Peer Coordinator for 937.5 hours;
 2. Train and employ 2 Peer Facilitators each for 450 hours;
 3. Develop Needs Assessment methodology including data collection methods, interview and focus group protocols, survey and timeline;
 4. Collect and analyze data from 250 participants through interviews, surveys, and World Café events to identify needs of current and former substance users; and
 5. Create, disseminate and present final report reaching 200 persons including agency staff and community partners to share knowledge obtained with key community stakeholders.
-

That funding in the amount of **\$50,783** be provided to **Ontario Aboriginal HIV/AIDS Strategy** to carry out the following services:

Funding Stream: Indigenous

Project Number: 20-1-IND-01

Project Name: Niminwendam omaa ayaayan (I am happy you are here)

Through this project, Ontario Aboriginal HIV/AIDS Strategy will:

1. Employ a Project Lead for 1,040 hours;
 2. Employ a Peer Support worker for 205 hours; and
 3. Host a 10-week drop-in workshop series, within the context of the medicine wheel, four times over the year reaching 150 people to strengthen the knowledge and adaptation of Indigenous harm reduction principles and practices.
-

That funding in the amount of **\$46,643** be provided to **Ralph Thornton Community Centre** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-1-RES-02

Project Name: Building Skills, Building Neighbourhoods

Through this project, Ralph Thornton Community Centre will:

1. Employ a Youth Summer Worker for 450 hours to provide leadership training and coaching at three summer camp locations;

2. Employ 2 Youth Workers for 300 hours each to facilitate youth programming and conduct mentoring activities;
 3. Deliver 50 hours of a leadership training course to 12 youths aged 14-17 from Toronto Community Housing communities;
 4. Provide mentorship and 50 hours of placements for up to 9 trained youth in 3 partner summer camps to enhance leadership skills;
 5. Provide 20 biweekly youth group meetings for 10 youth to increase leadership skills and ability to negotiate high risk situations; and
 6. Host two youth events in TCHC communities for 20 children and youth to increase leadership skills.
-

That funding in the amount of **\$39,305** be provided to **Right To Play International** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-1-RES-03

Project Name: Concrete Warriors: Improving Knowledge and Confidence around harm-reduction for Indigenous and Racialized Youth

Through this project, Right To Play International will:

1. Employ a Community Mentor for 2,000 hours;
 2. Plan and design 10 workshops to integrate harm reduction content into the Concrete Warriors Hip-hop Mentorship program;
 3. Deliver 72 biweekly workshops of Concrete Warriors programming for 15 youth to increase confidence and communication skills through digital arts and music; and
 4. Deliver 10 monthly harm reduction workshops for 15 youth to increase knowledge of safer sexual health and harm reduction practices and resources.
-

That funding in the amount of **\$82,878** be provided to **Skylark Children, Youth and Families** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-1-RES-04

Project Name: Implementing Drug Education within Mental Health Treatment Programs: A Pilot

Through this project, Skylark Children, Youth and Families will:

1. Employ a Harm Reduction Coordinator for 1,100 hours;
2. Employ a Drug Education Facilitator for 1,250 hours;
3. Train and employ 3 Peer Workers for 360 hours each to conduct consultations, focus groups, and to facilitate and evaluate a drug education curriculum;

4. Conduct 4 peer-led group consultations reaching at least 20 youth enrolled in Day Treatment and Residential programs to gain their perceptions about relevant programming content, accessibility needs and group dynamics;
 5. Engage Peer Workers, supported by project staff and community partners to develop a draft 10-module Drug Education Curriculum through 3-hour biweekly meetings to increase Peer Worker competence in program development;
 6. Implement the 10-module Drug Education Curriculum in two programs (residential and day treatment) through 20 program sessions reaching 25 youth participants;
 7. Host 4 peer-led focus groups with 20 youth participants to engage them and obtain feedback on the structure, content, effectiveness and impact of the revised program; and
 8. Complete and consolidate drug education curriculum based on findings, which can be scaled to other day treatment and residential programs.
-

That funding in the amount of **\$80,735** be provided to **South Riverdale Community Health Centre** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-1-HR-11

Project Name: East Toronto Outreach Project

Through this project, South Riverdale Community Health Centre will:

1. Employ a Harm Reduction Community Health Worker for 560 hours;
 2. Employ a Harm Reduction Outreach Worker Shift Lead for 875 hours;
 3. Conduct 150 street-based harm reduction outreach sessions reaching at least 40 new service users to increase knowledge around factors that contribute to overdose death; and
 4. Host 2 community education events to increase knowledge of safer drug use and overdose prevention prevention strategies to 50 injection drug users.
-

That funding in the amount of **\$23,843** be provided to **VIBE Arts** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-1-RES-06

Project Name: #VoiceUp

Through this project, VIBE Arts will:

1. Employ a Community Program Manager for 104 hours;
 2. Employ a Project Assistant for 125 hours;
 3. Train, employ and support 5 Peer Facilitators each for 20 hours;
 4. Conduct 5 peer-led arts-based workshop-series in different NIA sites, with each series comprised of 8 workshops reaching 150 youth aged 9 – 12 to increase students' self-esteem, perceptions about body image, their confidence in identifying and reporting r
-

That funding in the amount of **\$44,020** be provided to **YouthLink** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-1-RES-07

Project Name: YAAHA Needs Assessment

Through this project, YouthLink will:

1. Employ a Project Facilitator for 675 hours;
 2. To train and employ 4 Peers each for 225 hours;
 3. Hold at least 3 planning meetings to develop a Project Charter, outreach strategy, surveys, and interview questions, and terms of reference for the Advisory Committee;
 4. Hold 4 peer training sessions to train them in outreach methods, survey design, and needs assessment planning;
 5. Convene 7 Advisory Committee meetings for project development, implementation and data analysis;
 6. Conduct outreach to 150 youth through in-person and online engagements to recruit them to participate in needs assessment;
 7. Administer 90 in-person and online surveys to LGBTQ2S youth to capture data on their sexual health and substance use challenges as well as any programming and service needs;
 8. Conduct 3 focus groups reaching 30 family members of LGBTQ2S youth to collate insights on perceived service gaps for LGBTQ2S youth;
 9. Conduct data analysis and prepare report with needs assessment findings and recommendations regarding the development of future programming for LGBTQ2S youth who use the agency; and
 10. Dissemination of results through 3 community presentations; distribute 50 reports containing project findings to community partners and agencies; disseminate project findings to community through social media.
-

That funding in the amount of **\$38,746** be provided to **YouthLink** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-1-RES-08

Project Name: Setting the Record Straight

Through this project, YouthLink will:

1. Employ a Project Facilitator for 675 hours;
2. Train and employ 3 Peers each for 225 hours;
3. Hold at least 3 planning meetings to develop a project charter, outreach strategy, surveys, and interview questions, and terms of reference for the Advisory Committee;
4. Hold 4 training sessions with 3 peers to provide them with training in outreach methods and survey design and needs assessment planning;

5. Hold 7 Advisory Committee meetings for project development, implementation and data analysis;
6. Conduct a 26 week per week face-to-face outreach to racialized youth in Scarborough, aged 18 to 29, with criminal records, reaching 20 youth, to discuss risks and protective factors regarding their sexual health and substance use challenges and programming
7. Hold 4 Focus groups with racialized youth in Scarborough aged 18 – 29 who have criminal records, reaching 40 youth, to capture data on risks and protective factors regarding their sexual health and substance use challenges and programming and service needs;
8. Conduct data analysis and prepare report with needs assessment findings and recommendations regarding the development of future programming for youth with criminal records; and
9. Disseminate project results through 5 community presentations; distribute 50 reports containing findings to community partners and agencies; disseminate findings to community through social media.

RECOMMENDED ACTIVITIES FOR 2020 THREE-YEAR PROJECTS

That funding in the amount of **\$99,001** (Year 1, 2020), **\$100,077** (Year 2, 2021) and **\$101,113** (Year 3, 2022) be provided to **Agincourt Community Services Association** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-01

Project Name: Massage Parlour/Micro-Brothel Outreach

Through this project, Agincourt Community Services Association will:

1. Employ an Outreach Coordinator for 1,750 hours annually for 3 years;
2. Employ 2 Peer Workers for 950 hours annually for 3 years;
3. Provide access to 2 peer training sessions per month each year to increase the knowledge and skills of project peers;
4. Conduct 288 outreach sessions annually to massage parlours and micro-brothels reaching 400 women annually to increase access to safer sex supplies, and accompaniments to sexual health testing;
5. Conduct social media outreach 4 hours per week each year, reaching 220 sex workers annually to provide health education, access to safer sex supplies, and accompaniments to sexual health services;
6. Conduct cold call outreach to micro-brothels and independent sex workers for 2 hours each week reaching 120 sex workers annually to increase their access to safer sex information, supplies and access to sexual health testing;
7. Provide accompaniment to 300 sex workers per year to sexual health clinic appointments to increase HIV and STI testing, safer sex knowledge, and increase safer sex practices;
8. Post 100 sexual health promotion content on an online blog reaching 60 sex workers annually, to increase safer sex knowledge, requests for supplies, and requests for sexual health clinic accompaniments; and

9. Conduct 12 peer facilitated group sessions annually reaching 180 sex workers to increase safer sex knowledge, requests for supplies, requests for sexual health clinic accompaniments, and interest in joining the team as a peer volunteer.
-

That funding in the amount of **\$93,802** (Year 1, 2020), **\$ 94,819** (Year 2, 2021) and **\$95,882** (Year 3, 2022) be provided to **Agincourt Community Services Associations** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-02

Project Name: Male Clients Outreach and Education Project

Through this project, Agincourt Community Services Associations will:

1. Employ an Outreach Coordinator for 125 hours annually for 3 years;
 2. Employ an Outreach Assistant for 1,750 hours annually for 3 years;
 3. To train and employ 2 Peers for 950 hours each annually for 3 years;
 4. Conduct 72 peer trainings (2 training sessions/month) to increase knowledge and skills of 1-2 peer workers per month;
 5. Conduct 468 face-to-face outreach for 4 hours/week at massage parlours and micro-brothels reaching 900 male sex buyers in total;
 6. Print 1,800 culturally and linguistically-specific STI/HIV prevention brochures;
 7. Post sexual health and safer sex information on social media blog reaching 180 male sex buyers in total;
 8. Accompany 90 male sex buyers to sexual health related clinic appointments to increase access to sexual health testing and resources;
 9. Conduct 14 hours/week of social media outreach activities using web-based platforms and social media apps to reach 108 male sex buyers in total; and
 10. Conduct 432 outreach sessions 3 hours/week to Asian business venues to distribute project brochures reaching 24 male sex buyers to increase linkages to project services and supplies.
-

That funding in the amount of **\$63,116** (Year 1, 2020), **\$ 64,757** (Year 2, 2021) and **\$66,451** (Year 3, 2022) be provided to **AIDS Committee of Toronto (ACT)** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-03

Project Name: Totally outRIGHT - Gay Leadership Programming

Through this project, AIDS Committee of Toronto (ACT) will:

1. Employ a Project Coordinator for 960 hrs annually for 3 years;
2. Employ 2 Peer Facilitators for 160 hours annually for 3 years;
3. Employ a Manager of Monitoring & Evaluation for 80 hours annually for 3 years;
4. Train and employ 2 Peer Recruiters for 126 hours annually for 3 years;

5. Develop, update and implement a comprehensive outreach, recruitment and intake strategy for enrolling young gay, bi, and queer men (GBQMSM) 18 – 24 years of age, into the Totally outRIGHT program;
 6. Deliver 2 four-day Totally outRIGHT series annually to 36 participants to increase knowledge and confidence about HIV, STIs, sexual health strategies, risk reduction strategies and to increase sense of belonging between participants and the HIV community;
 7. Develop a Community Advisory Committee (made up of 8–10 graduates of the Totally outRIGHT program) to convene 2 meeting sessions per year to give participants opportunities to develop leadership and program development skills and opportunities to foster a sense of belonging among the group;
 8. Support 4 program graduates per year to become faculty with the Totally outRIGHT program, including having them lead a learning module and participate in a series of planning meetings to build their confidence in public speaking and presentation skills as related to HIV prevention; and
 9. Provide 4 employment opportunities for graduates of the Totally outRIGHT program as either Peer Recruiters or Peer Facilitators (to develop their confidence, capacity building and leadership skills and experience for working in the HIV and sexual health sector.
-

That funding in the amount of **\$63,466** (Year 1, 2020), **\$ 63,466** (Year 2, 2021) and **\$63,466** (Year 3, 2022) be provided to **Alliance for South Asian AIDS Prevention** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-04

Project Name: Indo Caribbean Women's Sexual Health Program

Through this project, Alliance for South Asian AIDS Prevention will:

1. Employ an Indo Caribbean Women's Health Coordinator for 1,400 hours annually for 3 years;
 2. Train and employ an Indo Caribbean Youth Peer for 750 hours annually for 3 years;
 3. Recruit and train 10 volunteers annually to provide opportunities for service users to contribute to programming;
 4. Provide 10 education sessions to 50 women and 6 education sessions to 30 youth from the Indo Caribbean community annually to increase awareness of high-risk activities, strategies to reduce risk, and provide information on accessing testing and treatment;
 5. Conduct 10 outreach sessions reaching 60 Indo Caribbean women annually to increase access to safer sex supplies and information;
 6. Conduct 3 event outreach sessions reaching 120 Indo Caribbean women annually to increase knowledge of services available around testing, HIV/STBBI's;
 7. Host 30 cook out sessions reaching 60 Indo Caribbean women annually to provide HIV education, and increase community engagement and peer support;
 8. Conduct 20 one-on-one support sessions annually to provide support and linkages to testing; and
 9. Convene an Advisory Committee to guide the project.
-

That funding in the amount of **\$67,045** (Year 1, 2020), **\$ 67,045** (Year 2, 2021) and **\$67,045** (Year 3, 2022) be provided to **Alliance for South Asian AIDS Prevention** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-05

Project Name: MENA Sexual Health Coordinator

Through this project, Alliance for South Asian AIDS Prevention will:

1. Employ a Men's Health Educator - Arabic Speaking for 1,400 hours annually for 3 years;
 2. Employ a Men's Health Educator - Farsi Speaking for 1,400 hours annually for 3 years;
 3. Conduct training twice annually for 5 Arabic and 5 Farsi volunteers to increase support and engagement of target population;
 4. Conduct monthly bar outreach at Middle Eastern Nights and 2 community outreach events annually targeting 120 individuals to increase knowledge of HIV testing and programs;
 5. Conduct 48 bathhouse outreach sessions to engage 60 individuals annually to increase access to safer sex supplies, knowledge of HIV testing services and risk reduction strategies;
 6. Provide 4 workshops in Arabic and 4 workshops in Farsi for 10 individuals per session annually to increase knowledge of testing and health care services and increase safer sex practices;
 7. Provide two monthly Cardamom Kitchen sessions for 30 Farsi-speaking and 30 Arabic-speaking individuals to reduce social isolation, increase safer sex practices and increase use of HIV testing services
 8. Provide one-on-one support and counselling for 20 individuals annually to increase use of HIV-testing services, treatment, and harm reduction services.
-

That funding in the amount of **\$92,026** (Year 1, 2020), **\$ 92,026** (Year 2, 2021) and **\$78,846** (Year 3, 2022) be provided to **Asian Community AIDS Services** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-3-RES-01

Project Name: When You're Ready': Supporting Asian LGBTQ+ Youth

Through this project, Asian Community AIDS Services will:

1. Employ a Project Coordinator for 1,875 hours annually for 3 years;
2. Employ 3 Peer Workers for 300 hours each annually for 3 years;
3. Provide 11 skills building leadership training sessions to 3 peers annually to increase knowledge of HIV and sexual health, problem solving and decision-making skills, feelings of connection to community, and I competency in practicing mindfulness;
4. Host 4 closed support group series, lasting 8 weeks each, for 40 LGBTQ+ identified Asian Youth annually to increase knowledge of HIV prevention and harm reduction, problem solving and decision-making skills, feelings of connection to community, competency

5. Hold 18 peer-led community drop-in sessions for 14 LGBTQ+ Asian youth annually to increase knowledge of HIV prevention and harm reduction and strategies to mitigate their own risk; and
 6. Host weekly peer-led online engagement sessions reaching 40 participants each year for 3 years.
-

That funding in the amount of **\$67,793** (Year 1, 2020), **\$ 66,233** (Year 2, 2021) and **\$67,222** (Year 3, 2022) be provided to **BrAIDS for AIDS** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-07

Project Name: Hair for you (Here for you)

Through this project, BrAIDS for AIDS will:

1. Employ a Project Coordinator/Facilitator for 1,500 hours annually for 3 years;
 2. Train and employ a Peer Recruiter for 450 hours annually for 3 years;
 3. Train 15 hairdressers in North West Toronto each for one 3-hour session over 3 years;
 4. Provide 100 check in sessions to the hair dressers over 3 years to assess progress, client referrals, and video showcase;
 5. Conduct 5 workshops series at each of 15 hair salons to provide HIV prevention and sexual health promotion information to at least 75 ACB women;
 6. Host 9 hairdresser-informed community events including 7 Braidathons and 2 Community Partner testing events, reaching 910 individuals, to increase knowledge and leadership skills among hair dressers and improve testing uptake by participants;
 7. Host 15 hairdresser-led in hair salon video showcases to increase awareness of HIV testing and treatment reaching 125 ACB women
-

That funding in the amount of **\$72,176** (Year 1, 2020), **\$ 72,176** (Year 2, 2021) and **\$72,176** (Year 3, 2022) be provided to **Butterfly (Asian and Migrant Sex Workers Support Network)** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-08

Project Name: Reaching the unreachable: Migrant sex workers outreach and education project

Through this project, Butterfly (Asian and Migrant Sex Workers Support Network) will:

1. Employ the Executive Director for 150 hours annually for 3 years;
2. Employ a Project Coordinator for 850 hours annually for 3 years;
3. Employ 5 Peer Outreach Workers for 300 hours each annually for 3 years;
4. Provide monthly training workshops to 5 peer outreach workers to increase their knowledge of HIV and STI prevention, and increase their capacity to conduct outreach and training;

5. Conduct 44 outreach sessions to 50 migrant sex workers at their workplace annually to increase knowledge of HIV/STI prevention, and access to sexual health supplies and health and social service agencies;
 6. Provide monthly workshops to 144 migrant sex workers annually to increase their knowledge of sexual health and HIV/STI prevention; and
 7. Host 12 informal gatherings for 120 participants annually to increase access to supportive environments, problem solving and negotiation skills and to decrease isolation
-

That funding in the amount of **\$40,346** (Year 1, 2020), **\$ 40,346** (Year 2, 2021) and **\$40,346** (Year 3, 2022) be provided to **Casey House** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-3-HR-01

Project Name: Peer Support Program at Casey House

Through this project, Casey House will:

1. Employ a Peer Program Manager for 230 hours annually for 3 years;
 2. Employ 5 Peer Support Workers for 436 hours each annually for 3 years;
 3. Provide 10 hours of In-kind peer training for 5 Peer Support Workers annually to provide one-on-one and group support skills, and knowledge on substance use and harm reduction;
 4. Conduct Self-Care Management Training Program twice per year for three years, reaching 22 clients annually, to increase medication adherence, increase utilization of harm reduction tools, improve regulation of behaviour and moods, and improve decision-making
 5. Conduct one-on-one peer support sessions reaching 70 Casey House clients, over three years, to increase knowledge about the harms caused by the use of substances, and increase the use of harm reduction strategies; and
 6. Provide peer supervision and support group meetings for 5 peers, once per month, for 10 months each year to increase confidence in peers in providing support and addressing the issues that may arise.
-

That funding in the amount of **\$68,014** (Year 1, 2020), **\$ 69,754** (Year 2, 2021) and **\$70,237** (Year 3, 2022) be provided to **Christie Ossington Neighbourhood Centre** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-3-RES-02

Project Name: 2SLGBTQ+ Youth West-End Drop-in

Through this project, Christie Ossington Neighbourhood Centre will:

1. Employ an LGBTQ2S!+ Coordinator for 1,500 hours (Year 1); 1,250 hours (Year2); and 1,050 hours (Year 3);
2. Employ a Project Supervisor for 250 hours (Year 1); 225 hours (Year 2); and 150 hours (Year 3);

3. Train and employ a Peer Leader (Trans and Gender Diverse) for 235 hours (Year 1), and 350 hours (Year 2); and 2 Peer Leaders (Trans and Gender Diverse) each for 350 hours (Year 3);

 5. Hold 38 LGBTQ2S!+ Advisory Committee meetings to build leadership and information evaluation skills pertinent to sexual health and substance use;
 6. Conduct 141 weekly LGBTQ2S!+ Youth Drop-in sessions reaching 150 youth, over 3 years, to promote community engagements and sexual health and substance use information and support;
 7. Conduct 141 weekly Trans and Gender Diverse Drop-in sessions reaching 60 youth over 3 years to promote community engagements and sexual health and substance use information and support; and
 8. Conduct weekly individual support sessions for 3 years to 100 youth to improve problem-solving skills, and access to relevant resources and referrals.
-

That funding in the amount of **\$66,880** (Year 1, 2020), **\$ 71,149** (Year 2, 2021) and **\$71,777** (Year 3, 2022) be provided to **Davenport-Perth Neighbourhood and Community Health Centre** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-3-RES-03

Project Name: Young Men & Women Paving Ways

Through this project, Davenport-Perth Neighbourhood and Community Health Centre will:

1. Employ a Program Worker for 945 hours annually for 3 years;
 2. Train and employ 3 Peer Leaders for 615 hours each, annually, for 3 years;
 3. Conduct twice monthly Life Skills Workshops in Year 1 reaching 288 youth to increase their life and social skills, critical thinking, decision-making, self-awareness and problem-solving skills;
 4. Hold 48 cooking sessions, over 3 years, reaching 240 youth per year, to increase their cooking skills and access to healthy foods;
 5. Hold 96 Friday night open gyms, over 3 years, reaching 544 youth per year to increase their access to health resources and increased health;
 6. Develop apprenticeship and internship employment training creation and development plan in Year 2, through collaboration with at least 5 local businesses who will offer placement opportunities to at least 10 youth;
 7. Support at least 10 youth to obtain and complete apprenticeships or internship training placements with at least 5 businesses in Year 3, to increase their employment, career skills and development opportunities; and
 8. Conduct 16 Anti-Black Racism/Resiliency Workshop Series, in Years 2 and 3, reaching 144 youth per year, to increase their life and social skills, critical thinking, decision-making, self-awareness and problem-solving skills.
-

That funding in the amount of **\$87,918** (Year 1, 2020), **\$ 89,313** (Year 2, 2021) and **\$91,164** (Year 3, 2022) be provided to **Eva's Initiatives for Homeless Youth** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-3-HR-02

Project Name: Satellite Peer Outreach Training Program (SPOT)

Through this project, Eva's Initiatives for Homeless Youth will:

1. Employ a Peer Program Coordinator for 2,000 hours annually for 3 years;
 2. Employ 8 Peers for 192 hours each annually for 3 years;
 3. Conduct 6-week Peer Training Workshop Series four times per year reaching 8 peers each series to increase knowledge and skills around harm reduction, confidence in engaging and educating of youth in the shelter and in the community on harm reduction and wellness/coping activities;
 4. Provide 60 peer-facilitated education sessions reaching 200 youth annually to increase knowledge and skills in accessing health care, risk reduction, sexual health literacy, stress reduction strategies, youth leadership and mentoring skills;
 5. Conduct peer street outreach 35 times annually to increase supplies and support and to increase the outreach skills and confidence of applying harm reduction theory into the practices of peers;
 6. Provide 100 recreation and self-care programs reaching 135 peers and participants annually to increase coping skills and stress reduction tactics, and increase knowledge of life skills;
 7. Host weekly harm reduction kit making sessions to increase understanding of kit making, and increase understanding of safer use tools and materials;
 8. Participate in 10 community-based educational events to youth annually to increase the understanding of community members on harm reduction theories and practices, and increase access to supplies and resources;
 9. Host 10 harm reduction drop-in sessions reaching approximately 75 youth annually to increase access to harm reduction and sexual health supplies, resources, and services.
-

That funding in the amount of **\$73,256** (Year 1, 2020), **\$ 81,586** (Year 2, 2021) and **\$84,953** (Year 3, 2022) be provided to **Family Service Toronto** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-3-RES-05

Project Name: Queer and Connected: LGBTQ2SS Youth in the Village

Through this project, Family Service Toronto will:

1. Employ a Project Coordinator for 1,288 hours in Year 1, and 1,456 hours in Years 2 & 3;
2. Employ a Queer Peer Worker and a Trans Peer Worker for 259 hours in Year 1 and 364 hours each in Years 2 & 3;
3. Provide training to 2 peer workers to provide group facilitation, peer support and health promotion;
4. Provide twice monthly peer support groups for 6 - 8 queer youths per session to reduce social isolation;

5. Provide twice per month educational workshops for 6 -8 queer youth per session to increase knowledge of safer sex and harm reduction skills;
 6. Host an annual LGBTQ2S+ social event to reduce social isolation, build a sense of community and provide positive role modeling for 35 LGBTQ2S youth per event;
 7. Set up a social media portal reaching approximately 10,000 LGBTQ2S youth to conduct outreach, event promotion, and health promotion information to enhance engagement on queer youth issues;
 8. Conduct monthly street level outreach to engage approximately 1,000 youth to participate in programming;
 9. Refer 25 LGBTQ2S youth to programs and services to enhance inter-agency collaborative service provision; and
 10. Convene an advisory committee to meet quarterly to guide project design, implementation and evaluation.
-

That funding in the amount of **\$82,825** (Year 1, 2020), **\$ 81,825** (Year 2, 2021) and **\$85,825** (Year 3, 2022) be provided to **Lakeshore Area Multi Service Project (LAMP) Community Health Centre** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-3-HR-04

Project Name: LAMP Harm Reduction Services

Through this project, Lakeshore Area Multi Service Project (LAMP) Community Health Centre will:

1. Employ a Harm Reduction Outreach Lead for 1,400 hours annually for 3 years;
 2. Employ 2 Harm Reduction Peer Workers for 500 hours each annually for 3 years;
 3. Provide 36 annual workshops to 180 participants to increase knowledge and use of safer drug use practices and overdose prevention;
 4. Conduct peer street outreach 94 times each year reaching 200 people to increase access to harm reduction supplies and resources;
 5. Host 108 harm reduction drop-in sessions reaching 900 people annually to increase access to harm reduction supplies and resources; and
 6. Hold 7 community needle clean-up events led by peers in collaboration with the South Etobicoke Harm Reduction Coalition to increase knowledge of safe needle disposal practices.
-

That funding in the amount of **\$104,693** (Year 1, 2020), **\$ 104,693** (Year 2, 2021) and **\$104,693** (Year 3, 2022) be provided to **Native Canadian Centre of Toronto** to carry out the following services:

Funding Stream: Indigenous

Project Number: 20-3-IND-01

Project Name: N'dodemnaanik Naandwechigamig – Healing Our Community

Through this project, Native Canadian Centre of Toronto will:

1. Employ a Community Health Navigator for 2,000 hours annually;
 2. Provide 6 training sessions annually to 7 Peer Council members to address cultural disconnection, low self esteem, and mental and/or addiction issues;
 3. Hold 24 Peer Council meetings annually to provide guidance for the project;
 4. Provide 40 harm reduction workshops annually for 50 unique participants to increase Indigenous adult community holistic wellness; and
 5. Hold 30 traditional healing circles annually reaching 35 unique people to build stronger cultural connections, better harm reduction and safer-sex negotiation skills and better knowledge of access points for health services.
-

That funding in the amount of **\$114,818** (Year 1, 2020), **\$ 114,837** (Year 2, 2021) and **\$139,355** (Year 3, 2022) be provided to **Native Canadian Centre of Toronto** to carry out the following services:

Funding Stream: Indigenous

Project Number: 20-3-IND-02

Project Name: Mino Maaziwin: Strengthening Cultural Connections for Urban Indigenous Youth

Through this project, Native Canadian Centre of Toronto will:

1. Employ a Mino Maadziwin Coordinator for 2,000 hours annually;
 2. Employ an Addictions Circle Facilitator for 450 hours annually;
 3. Employ an Oshkaabewis Peer Worker for 700 hours annually;
 4. Recruit 10-20 youth to conduct 40 hours of outreach and distribute 300 posters annually to promote the project;
 5. Deliver 46 Culture Exchange sessions to reach 60-70 youth annually to improve cultural connections and access to harm reduction services;
 6. Deliver two five -day ceremony/land-based activities annually for 60 youth participants to enhance connection to Indigenous culture;
 7. Provide twice per week mental health and addiction circles for 50 youth participants to increase knowledge of harm reduction practices, emotional regulation skills and decrease substance use;
