Subject: IE18.1 - I support REimagining Yonge as a Complete Street
Date: Wednesday, November 25, 2020 3:13:30 PM

Dear Infrastructure and Environment Committee members,

I walk, cycle and drive. I have cycled several times along Yonge from Shuter to the North York Civic Centre. At the moment it feels risky to cycle but it's a very direct route. As a driver, I experience people racing to pass on the right lane. It's dangerous.

I urge you to support the vision for Yonge Street included in REImagine Yonge. Make it a complete street – a connector and green corridor right to Lake Ontario.

Let us use our public space to move people and create inviting places to be. Thank you for your attention to this.
