

CONDOLENCE MOTION

Moved by: Councillor Brad Bradford

Seconded by: Councillor Jennifer McKelvie

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Beatrice Ann Hopkins on December 25, 2019.

Beatrice was a long time resident of the Beach, living 58 years in the same house she moved into with her late husband George. Bea will be remembered for her many years as a foster parent, creating a safe and caring home for so many wonderful children through the Children's Aid Society, in addition to operating a home daycare.

Many friends from the neighborhood were always welcome in her home for some advice, a warm smile, and a cup of tea. With so many friends and family, including her foster children coming to visit, Bea was rarely alone.

Bea will be greatly missed by all her children, her grandchildren and great grandchildren, and her many friends, who she cared for dearly.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Beatrice Ann Hopkin's family.
