

CONDOLENCE MOTION

Moved by: Councillor Mike Colle

Seconded by: Councillor Anthony Perruzza

Toronto City Council is deeply saddened to learn of the passing of Bruna Ferrovicchio, on November 27, 2020 at the age of 85.

Bruna Ferrovicchio was described by her family as a beautiful, wonderful and gracious person who was very devoted to her family.

Bruna was married to Antonio (Tony) for 60 loving years, and mother to Domenic (Vanessa) and David, who tirelessly devoted much of his time and life caring for his mother. Bruna had an endless and endearing love for her precious grandchildren, Christian and Alexander, and was a devoted and loving aunt to her many nieces and nephews. Bruna will be missed by her sisters-in-law and brother-in-law, and the many family friends she made throughout the years.

Bruna was a devout Catholic who always placed others first before herself. She spent much of her life volunteering in the community, and dedicating her services to the places closest to her heart. For several years, Bruna was an active volunteer with St. Fidelis Church and St. Clare Church, where she assisted in numerous fundraising projects and charitable events. Bruna was also a proud member of the Choir, which she found very rewarding.

Bruna spent several years volunteering with the St. Michael's College School Parents' Association assisting in their fundraising activities.

Bruna was always there to represent the family business at the numerous charitable and fundraising events that they supported, and was a shining example of generosity and goodness for her family.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to the Ferrovicchio family.
