Dear Mayor Tory and Councillors:

City Council Agenda Item IE19.11 yongeTOMorrow - Municipal Class Environmental Assessment on Yonge Street from Queen Street to College/Carlton Street

We are writing today to affirm our support for the staff recommendations in Item IE19.11 yongeTOMorrow.

As you know, yongeTOMorrow is our once-in-a-lifetime opportunity to transform Yonge Street into a world-class, 21st-century urban destination that supports critical public health objectives - for a world with COVID-19 and beyond.

Downtown Yonge Street is a neighbourhood's backyard and a country's Main street. yongeTOMorrow needs to cater to both. This proposal addresses the hyper-local needs of a community, while also strengthening the long-term economic development and success of the whole city.

Your support of this vision is much appreciated.

Sincerely,

Maureen Kapral, Vice-President
