*Without Prejudice*

Ms. Bisset:

I am writing as counsel for Dandaw Development Limited and Marlin Spring, owners of the land municipally known as 10 & 10A Dawes Road, Toronto.

On behalf of the owners, ERA Architects have submitted an application, including Heritage Impact Assessment (HIA), for review and approval by the Preservation Board and Council. The owners are requesting the alterations set out therein and do consent to the heritage designation of the properties as set out therein. (This consent and the proposed alterations of course are conditional on, and tied directly to, approval of the proposed development scheme for the site that is depicted).
