

2021 Budget Notes

Toronto Zoo

While we aim to provide fully accessible content, there is no text alternative available for some of the content within these pages. If you require alternate formats or need assistance understanding our charts, graphs, or any other content, please contact us at FPD@toronto.ca.

Description

Canada's premiere Zoo and a leading conservation organization, the Toronto Zoo hosted over 1.2 million guests in 2019 and is home to approximately 5,000 animals, representing almost 400 species and surrounded by Canada's new Rouge National Urban Park. The Zoo is open year-round and is divided into seven zoogeographic regions and boasts over 10 kilometers of walking trails. The Zoo also includes gift shops, animal exhibits, rides, zipline and canopy tour, food services and guest services. Toronto Zoo has stewardship over buildings, infrastructure, natural resource assets, and the wildlife population.

Why We Do It

Toronto Zoo mission is connecting people, animals and conservation science to fight extinction. One of the largest tourist sites in the City, employing 700 FT/PT staff and 500 volunteers while serving as a significant economic driver in the east end of the City.

The City of Toronto aims to deliver these outcomes equitably, efficiently and with excellent customer service to help improve the lives of Torontonians and work to earn their trust and confidence.

What Service We Provide

Zoo Visitor Services

Who We Serve: Community groups, schools and school boards, tour groups, tourists

What We Deliver: Educational programming, connections with nature and wildlife, engaging experiences

How Much Resources (gross operating budget): \$29.0 million

Zoo Fundraising and Strategic Partnerships

Who We Serve: Toronto Zoo Wildlife Conservancy

What We Deliver: Seconded unionized employees to the Conservancy for their fundraising initiatives benefiting the Toronto Zoo

How Much Resources (gross operating budget): \$0.3 million

Zoo Conservation & Science

Who We Serve: Schools, Post-secondary educational institutions, educators and scientists, wildlife researchers and societies, zoological institutions, accrediting bodies.

What We Deliver: Conservation breeding and reintroduction programs, conservation research programs, reproductive services – our Biodiversity Insurance policy

How Much Resources (gross operating budget): \$17.1 million

Budget at a Glance*

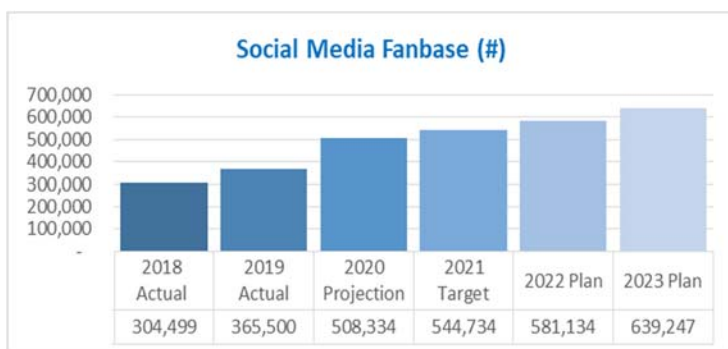

2021 OPERATING BUDGET				2021 - 2030 10-YEAR CAPITAL PLAN			
\$ Millions	2021	2022	2023	\$ Millions	2021	2022-2030	Total
Revenues	\$27.0	\$31.8	\$38.6	Gross Expenditures	\$18.6	\$122.1	\$140.7
Gross Expenditures	\$46.4	\$51.2	\$54.4	Debt	\$13.3	\$114.1	\$127.5
Net Expenditures	\$19.4	\$19.3	\$15.8	Note: Includes 2020 carry forward funding to 2021			
Approved Positions	404.2	404.2	404.2				

*This document reflects the 2021 Operating Budget and 2021-2030 Capital Budget and Plan as recommended by the City's City Manager and Chief Financial Officer and Treasurer, which may differ from the budget approved by the Zoo board. Please refer to [Appendix 12](#) for details.

How Well We Are Doing – Behind the Numbers

- Animals released from conservation breeding programs and subsequently released into Canadian wild habitats include the following:
 - Eastern loggerheaded shrikes
 - Vancouver Island marmots
 - Black-footed ferrets
 - Blanding's turtles
 - Wood turtles

- New onsite Wi-Fi will be used to increase connections.
- Continue strategy to build the Zoo's reputation and profile to drive attendance and awareness of conservation issues.

- Build the reputation and profile of the Toronto Zoo Wildlife Conservancy to enhance experiences for Zoo guests, serve the animals and to support conservation science.
- Historical fundraising component was completed by the Toronto Zoo and included in the operational budget. In 2019, the Toronto Zoo Wildlife Conservancy was established to fundraise.

How Well We Are Doing

Service	Service Measure	2018 Actual	2019 Actual	2020 Target	2020 Projection	2021 Target	2022 Target	Status

COVID-19 IMPACT AND RECOVERY

2020 Impact	2021 Impact and Recovery
<p>Financial Impact (Operating)</p> <ul style="list-style-type: none"> The Zoo was closed from March 14 to May 19, 2020 and reopened for Scenic Safari Drive Thru experience only on May 20th, 2020. Opened fully to all guests on site July 4th, 2020 with modified service levels (including advanced online purchase of tickets and daily attendance caps with closure of splash pad, kids zoo and most rides). Modifications to admission rates to reflect modified service offerings. Revenue was significantly impacted as a result of COVID-19. The Zoo implemented cost saving measures and launched new initiatives to mitigate revenue shortfall. Attendance is projected at 0.601 million compared to target of 1.225 million in 2020. 	<p>Financial Impact (Operating)</p> <ul style="list-style-type: none"> Ongoing limitations to crowd sizes requiring modified service operations No school trips predicted until Fall 2021. Continued development of innovative service offerings such as scenic safari, campground, virtual programs and marketplace to offset losses. Based on 2020 experience and estimates for safe COVID-19 operations and capacity restrictions, attendance is estimated at 0.838million in 2021, representing a reduction of 0.387 million compared to 2020 budget levels.
<p>Financial Impact (Capital)</p> <ul style="list-style-type: none"> Capital projects delayed as part of the City's capital slowdown to enable potential offsets to COVID-19 impacts. Delays in other projects include health and safety restrictions and availability of contractors. 	<p>Financial Impact (Capital)</p> <ul style="list-style-type: none"> Projects that were delayed in 2020 will continue in 2021. Planning for recovery in a post-COVID environment.
<p>Service Level Changes</p> <ul style="list-style-type: none"> Due to closure, modifications of service levels required including implementation of one-way paths and enhanced cleaning protocols and supporting staff. Modification of service offerings to online environment (Learning by the Seat of your pants, Zoo FB Lives). Onsite campground and community marketplace added. No Bush camps, Zoo School or Zoomobile offered during Summer 2020. Closure of indoor pavilions in Fall 2020. 	<p>Service Level Changes</p> <ul style="list-style-type: none"> Need and demand continues for remote service offerings. Modified Bush Camp and Zoo School to be offered in Spring and Summer 2021. Planning to deliver on-site modified service operations year-round.

EXPERIENCES, CHALLENGES AND PRIORITIES

Our Experience and Success

- Welcomed an estimated 52% of our attendance targets in 2020
- Created new on-site experiences including the Scenic Safari, Wild Tails Family Campsite, the Marketplace and the early opening of Terra Lumina
- Affirmation of commitment to serving our communities by establishing partnerships including, but not limited to, Second Harvest Food Bank, East Scarborough Storefront, and Pollution Probe
- Development of an equity, diversion, and inclusion strategy to ensure our Zoo reflects our community
- Supported our frontline workers in our community by holding healthcare heroes events
- Established new online platforms to serve guests locally and internationally

Key Challenges and Risks

- COVID-19 and ambiguity surrounding outlook
- Ensuring adequate health and safety measures met
- Digitization of operations with aging infrastructure
- Addressing SOGR backlog

Priority Actions

- Achieve attendance targets and a high level of guest satisfaction resulting in a corresponding positive revenue impact while assuming a delay in returning to peak attendance days (i.e. greater than 6,000 visitors in one day)
- Become an inclusive site that reflects our Toronto community
- Embrace our local community, especially those neighbourhoods in our surrounding area and introducing diverse families to wildlife conservation to develop future environmental and conservation champions and thought leaders
- Improve operation efficiency and enhance guest experience through technology upgrades
- Continue the implementation of revenue maximization and cost management activities
- Continue to make the hidden zoo go extinct

RECOMMENDATIONS

The City Manager and Chief Financial Officer and Treasurer recommend that:

1. City Council approve the 2021 Operating Budget for Toronto Zoo of \$46.424 million gross, \$26.956 million revenue and \$19.468 million net for the following services:

Service:

	Gross Expenditures (\$000s)	Revenue (\$000s)	Net Expenditures (\$000s)
Zoo Visitor Services	28,956.4	25,786.8	3,169.7
Zoo Fundraising & Strategic Partnership	327.2	-	327.2
Zoo Conservation & Science	17,140.0	1,168.8	15,971.3
Total Program Budget	46,423.7	26,955.5	19,468.2

2. City Council approve the 2021 staff complement for Toronto Zoo of 404.2 operating positions.
3. City Council approve the 2021 technical adjustments to user fees, discontinued user fees, and other fee changes above the inflationary adjusted rate for Toronto Zoo identified in [Appendix 9](#), for inclusion in the Municipal Code Chapter 441 "Fees and Charges".
4. City Council approve 2021 Capital Budget for Toronto Zoo with cash flows and future year commitments totaling \$31.105 million as detailed by project in [Appendix 6a](#).
5. City Council approve the 2022-2030 Capital Plan for Toronto Zoo totalling \$109.642 million in project estimates as detailed by project in [Appendix 6b](#).
6. City Council request that all sub-projects with third party financing be approved conditionally, subject to the receipt of such financing in 2021 and if such funding is not forthcoming, their priority and funding be reassessed by City Council relative to other City-financed priorities and needs.

*2020 Projection based on Q3 Variance Report

COSTS TO MAINTAIN EXISTING SERVICES

Total 2021 Base Budget expenditures of \$46.4 million gross reflecting an increase of \$4.3 million in spending above 2020 projected year-end actuals, predominantly arising from:

- Increased expenditures and revenue to reflect operations for full calendar year (no closures) with a slightly greater daily capacity compared to 2020 projection.
- Additional costs associated with health and safety arising from the ongoing pandemic to ensure appropriate physical distancing measures and provide a safe environment for guests, staff and volunteers.
- Additional cost requirements to help continuing the rebuilding of the Zoo including increased digitization costs.
- Inflationary adjustments to utilities based on economic factors.
- Given the financial impacts of COVID-19 on 2020 actuals, a further comparison of the 2021 Recommended Budget (excluding 2021 COVID-19 impacts) to the 2020 Council approved Budget is provided below:

2021 Base Budget of \$19.468 million in net expenditures reflects a \$3.929 million net decrease from the 2020 Council approved Budget, when excluding \$10.625 million in estimated COVID-19 financial impacts.

The 2021 Staff Recommended Operating Budget of \$46.4 million gross expenditures has decreased by 10.9% when compared to 2020 Budget, due primarily to reduced salary expectations for the period based on modified operations.

EQUITY IMPACTS OF BUDGET CHANGES

No significant equity impacts: The changes in Toronto Zoo's 2021 Operating Budget do not have any significant equity impacts.

2021 OPERATING BUDGET KEY DRIVERS

The 2021 Operating Base Budget for the Toronto Zoo is \$7.322 million gross or 27.3% lower than the 2020 Projected Actuals. Table 2a below summarizes the key cost drivers for the base budget.

Table 2a: 2021 Key Drivers – Base Budget

Key Cost Drivers	2019 Actuals	2020 Budget	2020 Projection*	2021 Base Budget	Change Vs. 2020 Projection	
					\$	%
Expenditures						
1 Salaries and Benefits	30,214.1	31,432.5	31,492.6	27,388.9	(4,103.7)	-13.0%
2 Materials & Supplies	6,871.2	8,073.6	4,856.7	8,296.7	3,439.9	70.8%
3 Equipment	365.9	555.1	338.8	914.3	575.5	169.9%

5 Contribution To Capital	171.0	171.0	171.0	171.0		
6 Contribution To Reserves	1,146.2	1,172.2	1,036.2	1,160.6	124.4	12.0%
Total Expenditures	49,292.5	52,134.4	42,089.0	46,423.7	4,334.7	10.3%
Revenues						
1 Provincial Subsidies	165.9	1,011.5	758.6	1,011.5	252.9	33.3%
2 User Fees & Donations	33,755.0	36,809.9	13,503.6	25,105.3	11,601.7	85.9%
3 Draw from Reserve Funds	386.0	386.0	386.0	400.0	14.0	3.6%
4 Other Revenues (Inc. IDR's)	1,525.7	1,154.8	650.7	438.7	(212.0)	-32.6%
Total Revenues	35,832.6	39,362.1	15,298.9	26,955.5	11,656.6	76.2%
Net Expenditures	13,459.9	12,772.3	26,790.1	19,468.2	(7,322.0)	-27.3%
Approved Positions	397.0	403.2	403.2	404.2	1.0	0.2%

*2020 Projection based on Q3 Variance Report

Salaries & Benefits:

Salaries and benefits are aligned to reflect higher attendance in 2021 which will be offset by salary and benefit savings measures to mitigate revenue shortfall. The Zoo will review the efficiency in operating processes and guest services to optimize staffing requirements without impacting health & safety and service level. The optimization is expected to generate savings through delay in hiring, holding vacant positions, etc.

The current collective bargaining agreement will expire on March 31, 2021 and therefore, the Cost of Living Adjustment (COLA) for union staff is not included in the 2021 Staff Recommended Operating Budget. A provision of collective agreement estimates to cover negotiated salary and benefit is budgeted corporately as part of the 2021 Non-Program Budget.

Materials and Supplies:

With plans to open full year with higher attendance capacities, an increase in materials and supplies expenditures to support appropriate physical distancing measures as well as inflationary and optimization adjustments to utilities is budgeted.

Services and Rents:

Attendance driven expenditures are increased in relation to additional cost requirements to help continuing the rebuilding of the Zoo post-COVID including directly attributable COVID costs and increased digitization costs for enhancing guest experience.

User Fees & Donations:

Anticipated recovery of operations including full year of on-site services and improved guest capacity compared to 2020 Projection. Base attendance is estimated at 0.838 million for 2021, representing an increase of 0.237 million compared to 2020 projection.

Table 2b: 2021 Balancing Actions

(\$000s)								
Recommendation	Savings Type	2021				2022		
		Revenue	Gross	Net	Positions	Gross	Net	Positions
Cost Mitigation	Efficiencies		(4,396.6)	(4,396.6)	-	(1,618.1)	(1,618.1)	-
Attendance reduction savings	Based on Actual Experience		(2,441.3)	(2,441.3)	-	(1,367.7)	(1,367.7)	-
Total Balancing Actions			(6,838.0)	(6,838.0)	-	(2,985.8)	(2,985.8)	-

Cost Mitigation:

- Toronto Zoo will continue to implement cost mitigation measures to address COVID-19 financial pressures including salaries and benefits containment while ensuring service levels are maintained

Attendance Reduction Savings:

- Attendance driven expenditures are aligned to reflect reduced attendance in 2021

Note:

1. For additional information on 2021 key cost drivers refer to [Appendix 2](#) .

2022 & 2023 OUTLOOKS**Table 3: 2022 and 2023 Outlooks**

(\$000s)	2020 Projection	2021 Budget	2022 Outlook	2023 Outlook
Revenues	15,298.9	26,955.5	31,843.4	38,638.0
Gross Expenditures	42,089.0	46,423.7	51,154.0	54,435.4
Net Expenditures	26,790.1	19,468.2	19,310.5	15,797.3
Approved Positions	403.2	404.2	404.2	404.2

Key drivers

The 2022 Outlook with total gross expenditures of \$51.154 million reflects an anticipated \$4.730 million or 10.2% increase in gross expenditures above the 2021 Operating Budget. The 2023 Outlook expects a further increase of \$3.282 million or 6.4% above 2022 gross expenditures.

These changes arise from the following:

- **Salaries and Benefits**
Anticipated increase in salaries and benefits to reflect increase in attendance level **(2022 & 2023)**
- **Inflationary Impact**
Utilities increase due to general inflation **(2022 & 2023)**
- **Revenue Changes**
Increase in revenues as attendance levels and guest capacity on site are returning to normal. Attendance is anticipated to reach 0.992 million in 2022 and 1.225 million in 2023. **(2022 & 2023)**

2021 – 2030
CAPITAL BUDGET AND PLAN

2021 – 2030 CAPITAL BUDGET & PLAN OVERVIEW

Chart 1: 10-Year Capital Plan Overview

Changes to Existing Projects
(\$23.0 Million)

- \$10.1 million – Increase in *Building and Services Refurbishment* to address aging of the buildings and facilities.
- \$5.4 million – Increase in *Exhibit Refurbishment* for major renovations to old exhibits to extend the life of the existing exhibits.
- \$4.0 million - Change in scope for the Orangutan Outdoor Exhibit project due to changes in architects and an addition of aerial habitat outside the front of the Indo-Malayan Pavilion.
- \$3.1 million – Increase in *Grounds and Visitor Improvements* to address the needs of public concerning visitor amenities.

New Projects
(\$2.5 Million)

- \$2.5 million – The Winter Zoomobile is added to the 10-Year Capital Plan to continue fleet revitalization to green the Zoo's vehicle complement.

Capital Needs Constraints
(\$24.9 Million)

- \$24.9 million - The construction of the *Oceania Pavilion* to replace the aged Indo-Malayan Pavilion which would reduce the ongoing maintenance costs. Funding for the design phase is included in the 10-Year Capital Plan which is anticipated to be completed in 2025-2026.

Note:

For additional information, refer to [Appendix 6](#) for a more detailed listing of the 2021 and 2022-2030 Capital Budget & Plan by project; [Appendix 7](#) for Reporting on Major Capital Projects – Status Update; and [Appendix 8](#) for Capital Needs Constraints, respectively

CAPACITY TO SPEND REVIEW

The 10-Year Capital Plan has been developed with consideration of historical demonstrated ability to spend within any given year of the ten year capital plan. A review was undertaken to ensure budgets align with Toronto Zoo's ability to spend and the markets capacity to deliver.

A key component in determining an appropriate level of annual cash flows includes historical capacity to spend reviews by project categories (Chart 2 below) as well as the level of projected 2020 underspending that will be carried forward into 2021 to complete capital work.

Chart 2 – Capacity to Spend

Capacity to Spend Review Impact on the 10-Year Plan

Based on the review of historical capital spending constraints and a capacity to spend review, \$5.3 million in capital spending originally cash flowed in 2020 has been deferred to 2021, with an additional \$7.0 million deferred to 2022. Adjustments to the Capital Plan are noted below:

- At the onset of COVID-19, due to the uncertainty of the financial impact, capital projects funded by Capital from Current (CFC) were slowed to the end of 2020 to enable potential offsets to COVID-19 financial impacts.
- The *Front Entrance – Construction Phase A* project 2021 cash flow has been deferred by \$8.0 million to 2022 to reflect updated project readiness and delivery times.

Despite adjustment noted above, Toronto Zoo still requires cash flow funding of \$18.6 million in 2021 to continue the capital work. The 2021 cash flow is higher than the historic 5-year average spending and is attributed to the requirements below:

- To improve winter accessibility to the boardwalk ramp from the Indo-Malaya Pavilion to the African Rainforest Pavilion to address AODA legislative requirements.
- To upkeep the facility and enhance guest experiences by redesigning the Conservation Campus (Welcome Area), repairing and replacing building components, renovating smaller exhibits and improving public concerning visitor amenities.
- To upgrade information systems by expanding the current network to improve performance and enhance efficiency.
- To invest in refurbishing exhibits including the Orangutan Outdoor Exhibit, African Rainforest, Wilderness North and the Canadian Pavilion.

STATE OF GOOD REPAIR (SOGR) FUNDING & BACKLOG

The chart below depicts the SOGR funding and accumulated backlog estimates for Toronto Zoo:

Chart 3: Total SOGR Funding & Backlog

\$ Million	2020	2021	2022	2023	2024	2025	2026	2027	2028	2029	2030

- The foundation of the Staff Recommended 10-Year Capital Plan is guided by the Toronto Zoo's 2016 Master Plan. Recommendations from the Wayfinding Study, the Building Audit Report and Site Services Study are taken into consideration in establishing the Zoo's 10-Year Capital Plan. The 2016 Master Plan is currently being updated and will be reflected for consideration during the 2022 Budget process.
- The 2021-2030 Staff Recommended Capital Budget and Plan will fund \$118.745 million of SOGR projects within Toronto Zoo over the 10-year period, providing an average of \$11.874 million annually. Based on this plan, the accumulated backlog will increase from \$87.937 million in 2021 to an anticipated \$89.164 million by 2030.
- The construction of the Oceania Pavilion could not be accommodated during the 2021 Budget process due to the project readiness and has been included in the "Capital Needs Constraints". The SOGR backlog shows an increasing trend starting 2025 as the Oceania Pavilion project addresses many SOGR issues in the Indo-Malayan Pavilion which was constructed in 1972. For further details about this project, please refer to Appendix 8.

OPERATING IMPACT OF COMPLETED CAPITAL PROJECTS

The 10-Year Capital Plan Budget will impact future year Operating Budgets by \$0.5 million net over the 2021-2030 period, due to the completion of the Information Systems project as shown in Table 4 below.

Table 4: Net Operating Impact Summary
(In \$000's)

Projects	2021 Budget		2022 Plan		2023 Plan		2024 Plan		2025 Plan		2021 2025		2021 2030	
	\$000s	Positions	\$000s	Positions	\$000s	Positions	\$000s	Positions	\$000s	Positions	\$000s	Positions	\$000s	Positions
New Projects - 2021														
Information Systems	504.0	1.0										504.0	1.0	
Sub-Total: New Projects - 2021	504.0	1.0										504.0	1.0	
Total (Net)	504.0	1.0										504.0	1.0	

The Information Systems project will result in net operating costs of \$0.504 and additional staff which is required to support the repair of equipment, server maintenance and cyber security support for new network.

	Appr.	YTD Spend	YE Projec Spend	Appr. Budget	Life to Date			Planned	Revised		
Toronto Zoo											
Welcome Area	2,239	322	850	2,239	850	Minor Delay	Jan-19	Dec-23	Dec-23	Ⓜ	Ⓜ
Comments:	New arrival plaza, otter/penguin exhibit, theatre, event space, classrooms, labs, conservation programming space, restaurants, gift shops to be constructed at the front entrance area of the Toronto Zoo.										
Explanation for Delay:	Scope increase										

- Ⓜ >70% of Approved Project Cost
- Ⓜ Between 50% and 70%
- Ⓜ < 50% or > 100% of Approved

Appendix 8

Summary of Capital Needs Constraints

(In \$ Millions)

Project Description	Total Project	Non Debt	Debt Required	Cash Flow (In \$ Millions)										
				2021	2022	2023	2024	2025	2026	2027	2028	2029	2030	
Oceania Pavilion Construction	25	6	19									8	8	8
Total Needs Constraints (Not Included)	25	6	19									8	8	8

In addition to the 10-Year Capital Plan of \$140.747 million, staff have also identified \$24.945 million in capital needs constraints for the Toronto Zoo as reflected in the table above.

The new *Oceania Pavilion* will replace the aged Indo-Malaya Pavilion that was constructed in 1974. Efforts have been made to maintain the buildings to meet health and safety requirements but given the age of the buildings, the maintenance costs and their frequency has become unsustainable. Construction of a new facility will reduce the ongoing maintenance cost. The *Oceania Pavilion* will focus not just on Indo-Malayan species but also on other important areas of the South Pacific.

Included in the 2021-2030 Capital Budget and Plan is the design of the *Oceania Pavilion* (\$2.0 million) which will commence in 2025-2026. The construction of the pavilion (\$24.945 million) is included in the Capital Needs Constraints due to the project readiness to proceed. This project will be included in the list of Capital Needs Constraints for consideration in future year budget process.

Appendix 11

Glossary

Approved Position: Permanent or temporary positions that support the delivery of City services and service levels as approved by Council.

Actuals: An actual financial amount paid (or received) for the delivery of City services (these exclude any commitments to be paid in the future).

Capacity to Spend: Ability to spend money along with the capacity to deliver projects as demonstrated by historic spending patterns and approved contractual obligations.

Capital Budget: A Capital Budget is the City's plan to acquire / build assets or extend the useful life of existing assets; an example of a capital expenditure is the construction of a new community centre.

Capital Needs Constraints: The capital needs that cannot be accommodated within the capital plan that the Division or Agency have the capacity to deliver.

Complement: Positions that support the delivery of City services and service levels as approved by Council.

Efficiencies: Reductions in the cost of delivering a service without a reduction in service level.

New / Enhanced: New and enhanced service changes resulting in an increase in service levels from what was previously approved by Council.

Operating Budget: An Operating Budget is the City's annual plan to provide services to the residents of Toronto; the budget includes all revenues and expenses needed to provided services; an example of an operating cost would be the cost to run the TTC subways.

Operating Impact of Completed Capital Projects: The additional expense (or savings) and positions needed to operate or maintain a new asset; an example would be the additional expense and staff needed to operate a recently completed community centre.

Rate Supported Budget: Budget fully funded by user fees such as Solid Waste, Toronto Water and Toronto Parking Authority

Staff Recommended Operating / Capital Budget: An operating or capital budget recommended by City Manager and Chief Financial Officer and Treasurer to City Council for consideration and approval.

State of Good Repair (SOGR): The cost of maintaining assets to ensure they are able to support the delivery of City services and meet service outcomes

Tax Supported Budget: Budget funded by property taxes.

User Fees: Program generated fee and rental revenue for the use of its services (such as the TTC fare, ice rental fees and various City permits).

Value Based Outcome Review (VBOR): The City conducted a Value Based Outcome Review in 2019 for all of its operations and agencies to identify specific opportunities and strategies to maximize the use of tax dollars, enhance its financial sustainability while achieving service outcomes. These opportunities will help the City chart its financial course in the next four years.

Voluntary Separation Program – On July 28th, 2020, City Council approved the implementation of a Voluntary Separation Program for staff who are eligible to retire with an unreduced pension providing a lump sum payment of up to three months' salary to eligible employees, subject to the terms of the program guidelines, funded through savings generated from a combination of permanently eliminating vacated positions and/or holding the positions vacant for a minimum of six months.

Appendix 12

Board Approved Vs. City Staff Recommended Budget

2021 Operating Budget – Board Approved Vs. City Staff Recommended Budget

The 2021 City Staff Recommended Operating Budget for Toronto Zoo is consistent with the 2021 Operating Budget approved by the Board of Management of Toronto Zoo at its meeting on October 23, 2020. Decisions of the meeting can be accessed via <http://app.toronto.ca/tmmis/viewAgendaItemHistory.do?item=2020.ZB12.3>.

2021-2030 Capital Budget and Plan – Board Approved Vs. City Staff Recommended Budget

\$ Millions	Board	City Staff	Difference	
	Approved	Recommended	\$	%
2021				
Gross Expenditures	23.8	18.6	5.2	27.9%
Debt	18.8	13.3	5.5	41.2%
2022-2030				
Gross Expenditures	112.1	122.1	(10.0)	-8.2%
Debt	105.1	114.1	(9.0)	-7.9%
Total				
Gross Expenditures	135.9	140.7	(4.8)	-3.4%
Debt	123.9	127.5	(3.5)	-2.8%

At its meeting on October 23, 2020, the Board of Management of Toronto Zoo approved the 2021-2030 Capital Budget and Plan which requires a total cash flow funding of \$135.9 million. Decisions of the meeting can be accessed via the following link <http://app.toronto.ca/tmmis/viewAgendaItemHistory.do?item=2020.ZB12.4>.

The 2021-2030 City Staff Recommended Capital Budget and Plan for Toronto Zoo, however, is not consistent with the 10-Year Capital Plan approved by the Board of Management of Toronto Zoo at its meeting. In consultation with Zoo staff, they are in agreement with the following changes:

- Deferral of cash flow funding of \$8.0 million gross and \$7.0 debt for the Welcome Area Phase A Construction from 2021 to 2022 to reflect updated project readiness and delivery timeline.
- 2020 Carry forward funding of \$2.8 million.
