Mayor John Tory & Members of the Executive Committee,
12-West, City Hall,
100 Queen Street West,
Toronto, Ontario,
M5H 2N2.

Attention: Ms. Catherine Regan

Dear Mayor Tory and Members of the Executive Committee:

Re: EX27.3 – Core Asset Management Plan

The above referenced plan addresses the maintenance of the City's road network and piped water and wastewater services. However, it does not include the Port's infrastructure such as dockwalls, bridges and maintaining its waterways to seaway depth. The Port provides an essential service to the City and its regions.

TIN requests that the report be amended to include a discrete section on the maintenance of the Port.

I thank you for your attendance.

Sincerely,

Craig McLuckie,

President
