Dear Mr. Elvidge,

Re: Administrative Inquiry on Thomas Clark Way Extension

I am submitting this Administrative Inquiry under Municipal Code S27-61 to seek an update on the status of the assumption and extension of Thomas Clark Way.

Specifically, I am requesting the following:

1. Who is currently responsible for services along the different addresses on Thomas Clark Way?
2. What is the current status of the Thomas Clark Way extension , including the required demolitions, and the plan for the assumption of services?
3. What is the estimated cost and timeline for the extension of Thomas Clark Way?

Sincerely,

Shelley Carroll
City Councillor
Don Valley North
