Re: Additional North Bendale Park Identification Signs

Recommendation:

1. City Council direct the General Manger, Parks, Forestry and Recreation to install additional Identification Signs in North Bendale Park at the entrances off the following streets:
 - a. Baybrook Crescent;
 - b. Faraday Drive;
 - c. Erinlea Crescent;
 - d. Monmouth Court; and
 - e. Parkington Crescent

And review options in order to differentiate and identify each sign location to the park for navigation purposes for emergency vehicles response to crisis, in particular, health and safety.

Background

I am requesting that Parks, Forestry and Recreation install additional park identification signs at North Bendale Park at the five street entrances stated above. Additionally, I would like to request respective staff to review options, i.e. numbering each sign, to differentiate each identification sign for emergency vehicles responding to a crisis, in particular, health and safety.

Sincerely,
